Year 6 T-shirt signing

Dear Year 6 Parents and Carers,

As we approach the end of the school year, we know that many Year 6 children enjoy collecting messages and signatures from their friends as a special way to remember their time at primary school.

In previous years, we have not allowed shirts to be signed, as unfortunately this has sometimes led to some inappropriate behaviour and unnecessary damage to school uniform.

This year, we would like to help the children celebrate this milestone in a positive way. If your child would like to collect signatures, they are welcome to bring a **plain T-shirt from home** in a **named plastic bag** for their classmates to sign on Monday 20th July under teacher supervision.

Please note that the T-shirt **must not be worn at any point during the school day** and should remain in the bag until the designated signing time.

The children will also have their autograph books, which provide another lovely opportunity for friends and staff to write special messages and memories that they can treasure in years to come.

We hope that both the autograph books and signed T-shirts will provide the children with special keepsakes to remember their time at our school.

Thank you for your continued support

The Year 6 Team
