

**Dear Parents/Carers**

**Christmas Performance**

- For the Christmas performance on Monday can children (who usually attend nursery) come in their Christmas jumper/outfit.
- For children who do not usually attend, we ask they are brought to the nursery glass door **ten minutes before the performance time you are attending** also wearing their Christmas jumper/outfit. After the performance **we will bring your children back to nursery with us and they can be collected from the glass door when you have left the hall.**

We're looking forward to seeing you there!

Kind regards

Nadia Pentland  
Nursery Teacher
