

Dear Parent/Carer

**The East Sussex School Health Service has now completed the vision screening and the National Childhood Measurement Programme (NCMP) in your child's school.**

Please log into the School Screener parent portal, using your log in details set-up at registration, to view your child's results and any other information. Please note it is now **TOO LATE** to opt your child out of this programme. If you would like to discuss your child's results please call 0300 123 4062.

If you have not yet registered for the School Screener portal **it's not too late.**

Please use the following link to register and then view your child's results. Through the portal you will have secure, 24-hour access to personalised data for your children via one username and password using your mobile, tablet or desktop device.

***Please register for your account by clicking this link***

<https://kes013.schoolscreener.com/Portal/#/3232/g/ESh357>

The results will only be available on the parent portal. We are a paper light service, so will not be sending these results to you in the post. If you require a paper copy or information in any other format please contact us on 0300 123 4062 option 2.

If you need help in registering on the portal or for any reason, you are unable to access the portal please call 0300 123 4062 option 2.

If you have any problems with your SchoolScreener parent portal account, please email [parentsupport@schoolscreener.com](mailto:parentsupport@schoolscreener.com).

### **Health needs assessment (HNA)**

If you have not already completed it - East Sussex School Health Service is inviting you to complete an online health needs assessment for your child on the **parent portal**. Please do this even if you have no current health and wellbeing concerns about your child. The responses will enable the school to plan and support the ongoing health and wellbeing needs of its pupils.

Please only complete for your reception aged child – if you have concerns over an older child please visit our website [Eastsussexchildren.nhs.uk](http://Eastsussexchildren.nhs.uk)

Kind regards

**Caroline Hollamby**  
**Team Coordinator**
