Year 4 National Multiplication Check  
Thursday 11th June 2026

Dear parent/carers,

The National Multiplication Check is fast approaching, and the children have been working really hard to keep practicing their times tables. This year, the children will be sitting the test on **Thursday 11<sup>th</sup> June 2026**. The online test consists of 25 questions, each lastly 6 seconds. The test will be administered in small groups on a computer or tablet. Even though there is no official pass mark, we would like all children to score at least 23/25. This will give the children the best opportunity in accessing the Year 5 Maths curriculum next year.

We have completed our Summer Mock to support preparing the children for the test.

Your child scored:

**To further support your child at home**

1. Give your child time daily to play TTRS, including the Sound Check Mode.
2. Test your child in other ways with their times tables. For example, quick fire questions at them. This can be in the car, on a walk, before bed.
3. Listen to times table songs – check YouTube Kids.
4. Have a times table poster in their homes and keep referring to it.

Recommended workbook (can be purchased on Amazon for £6)

Thank you for your continuing to support your child in achieving their very best in this National Test.

Best Wishes,

Mrs Martin  
Year 4, 5 and 6 Phase Leader
