Reception Newsletter

Summer 2

Welcome back! I cannot believe we are in the final half term already – it has gone so quickly! This term is set to be very busy; we will be going on our class trip and we will be preparing for our very own sports day!

Let's Go Wild!

This term, we are learning all about safari animals. To bring the topic to life, we started off the half term with an exciting trip to Yorkshire Wildlife Park. We hope the children had an enjoyable experience and gained lots of valuable knowledge about the animals to support our learning.

We LOVE reading!

Please can you support your child by reading their reading book at **least twice a week** with them at home. Please then add a small comment to their **yellow reading log**.

At KVPS we endeavour to instill a love of reading and reading for pleasure so please also don't forget school library books or books from the Little Library outside the classroom can also be shared at home 😊.

Library Books

We are extremely lucky to have lots of new exciting library books for the children to loan and explore at home! Reception visit the school library **every Tuesday**. Library books must be returned before a new book can be loaned.

We hope all the children have a fantastic last half term in Reception but as always, if you have any questions or concerns, please speak to Miss Otley or one of the Reception Team.

Weather

As the weather finally warms up, we ask that sun cream is applied to children **before** they come to school. We do not have sun cream at school.

Please also be advised that the weather can be very interchangeable, and we do access the outdoor areas in most weathers, unless there is a big downpour! We do advise that children bring a light rain jacket if possible.

Important Dates

Summer Fayre
Thursday 23rd June

Last day
Friday 17st July
