Rose and Shamrock Class

Cross Country

On Thursday children in Rose and Shamrock class attended the Cross Country competition at The Grove in Market Drayton, competing against other Shropshire Schools.

All the children did us proud! The KS2 race is a huge 1500 metres long. A special well done to Amelie who came 2nd for the girls overall.

The Year 1 and Year 2 children showed great determination during the cross country event at The Grove secondary school on Thursday. The best results in each year group were:

Year 1 girls - Silgy 5th place

Year 1 boys - Elia 16th place

Year 2 girls - Nevaya 1st place

Year 2 boys - Oscar 15th place

We were so proud, and the children seemed to thoroughly enjoy themselves.

Thistle Class visit to Fordhall Farm

Thistle class had an amazing adventure at Fordhall farm. They had a tour of the working farm and met all the animals. They even fed the pigs and were so well behaved they met newborn piglets. The children collected the eggs for the farm shop.

After their picnic lunch they went on a mini beast hunt finding some incredible shield beetles and newts. They then made clay sculptures and built habitats for them. It was a great learning experience.

Thank you to all the families that helped to transport the children to the farm.

Firework displays near you

Remember, remember the 5th November, gun powder, treason and plot. Also, fireworks that make you go 'ooooh', toffee apples that stick to your teeth and the smell of bonfire smoke that sticks to your coat for days.

There are some fantastic organised firework displays happening this year, including some low noise displays. Take a look at our directory to see what's happening by you

FIREWORK & BONFIRE SAFETY TIPS

FROM THE FIREMAN SAM TV SHOW AND
CHILD ACCIDENT PREVENTION TRUST

DID YOU KNOW?

Fireworks are exciting, but they **can be very dangerous**. Listen to your grown-up about where is a safe place to stand.

SPARKLERS

TIP #1

Keep your sparkly sparkler safely **away** from other people and don't run with them.

TIP #2

Once sparklers are finished, put them into a bucket of water, **don't** pick them back up.

TIP #3

Wear your gloves when you hold sparklers and **keep them away** from your body.

BONFIRES

TIP #4

Stand at a safe distance from the bonfire and **stay close** to the grown-ups.

TIP #5

Don't be tempted to **throw things** into the bonfire or poke at it with sticks.

FIREWORKS

TIP #7

If you're going to a firework display, **hold hands** with your grown-up and stay with them all the time.

TIP #6

Leave your dressing up clothes at home on fireworks night, **wrap up warm** instead.

TIP #8

Put toys and phones away when you're out and about so you can focus on keeping safe and having fun!

DON'T PANIC...

If you do catch your clothes on a flame:

STOP, DROP and ROLL

STOP what you are doing.

DROP to the ground and cover your face with your hands.

ROLL over and over to put out the flames.

Practice your **STOP, DROP and ROLL** before bonfire night. Get your friends to try it too!

Staying safe with fireworks

As the fireworks season approaches, the night sky will be lit up with firework displays.

With all the sparkle, it's easy to forget that fireworks can be dangerous if not used correctly and responsibly. This advice will help everyone to stay safe while celebrating.

Using fireworks at home?

2021

If you decide to use fireworks at home, here's how everyone can stay safe.

Only buy from licensed sellers

Check before you buy. Make sure you buy fireworks from a licensed retailer, both in-store and online. Do not buy fireworks from unknown retailers on social media sites. It's illegal for anyone under 18 to buy or carry fireworks.

Store fireworks safely

Store fireworks in their original packaging. Lock them away from children and animals. Keep fireworks dry and away from sources of heat or ignition.

Check your timings

Did you know that you can't let fireworks off between 11pm and 7am? The only exceptions are Fireworks Night, when the cut-off is midnight, and Diwali, New Year's Eve and Chinese New Year, when it's 1am. Timings may be different in Scotland. Search 'fireworks' on gov.scot for more advice.

Be considerate

People and animals may be affected by fireworks. Let your neighbours know in advance if you're planning on using any fireworks. Be mindful of where you site fireworks to minimise disruption.

Look after pets

Cats and dogs should stay inside. Give small animals who live outside lots of extra bedding and nesting material to burrow in.

Read all the instructions

The box of fireworks will tell you important things like how far away people need to stand back once the firework is lit. If you don't understand the instructions and warnings, don't use the firework.

Dispose of fireworks safely

Ensure that fireworks are out, soak them in water overnight, then put them in a rubbish bag and in the bin.

Which fireworks can I use at home?

Category information can be found on the label.

Category F1, F2 and F3 fireworks are on sale to the general public. Consumer fireworks will fall into either category F2 or F3 depending on how much of a **safety distance** is required. Check you have enough space to safely use a firework before you buy. Always follow the Firework Code www.saferfireworks.com

Budgeting for Christmas

Is it too early to mention the C word? We know Christmas can be a really expensive time of year so here are our top tips for keeping the costs down.

Are you receiving everything you are entitled to? Turn2Us is a charity who believes everyone in the UK should have financial security so they can thrive. They offer a free benefits calculator and grants search on their website. It only takes a few minutes to check if you are missing out on something you could be entitled to.

<https://www.turn2us.org.uk/>

Credit unions are not-for-profit organisations that provide savings, loans and a range of services to their members. There are two Credit Unions in Shropshire, [Fair Share Credit Union](#) and [Just Credit Union](#) Both offer Christmas loans to help you pay for this year and then save towards next Christmas.

You can get support with housing, energy and food costs through [Shropshire Council's Cost of Living website](#). You can be referred to the foodbank by a professional who knows you, such as your housing association, GP, support worker or school. They can also refer you for a Christmas Food and Gift Hamper and schemes such as [Santa's Little Stars](#) who provide wrapped age-appropriate Christmas presents to children all over the county.

[Our Family Information Directory](#) will have lots of free or low cost activities and events to make Christmas fun. We are beginning to add events now and normally have over 100 listings by December

Free School Meals applications and updates:

Free School Meals applications should be made using the Shropshire online portal. Where parents and carers have an email address we try to encourage the online application as much as possible, it is quick and easy to complete and the applicant also gets an indicative eligibility result at the end of their application.

This is different to the Universal Free School Meals for Reception, Year 1 and Year 2, so if you have a child in those year groups, it is still worth applying. If your child is eligible for Free School Meals, they'll also qualify for the Holiday Activity and Food Programme. Food vouchers may also be available through the Household Support Fund during school holidays.

Children in receipt of Free School Meals (benefits related) can attend **one** free Additional After School Club per week. In addition, children in receipt of Free School Meals will also be allocated Pupil Premium funding by the Government to help school improve educational outcomes. Currently, the funding per year is £1,480 per pupil.

Transitional protections have been extended until the end of the 2025/26 school year. All pupils becoming eligible for free school meals under the benefits-based criteria, should continue to receive this entitlement, regardless of any change in household circumstances or phase of education until the end of the 2025/26 school year.

From the start of the 2026/27 school year, the Department for Education will introduce new eligibility criteria meaning that all children from households in receipt of Universal Credit will be entitled to receive a free meal. It is their intention to end transitional protections alongside this change in threshold, with eligibility for all pupils reverting to whether they meet the eligibility criteria regardless of whether they were previously protected. They will issue further guidance ahead of September 2026.

Shropshire Music Service
TEACHING MUSIC - CHANGING LIVES

Shropshire Music Service is a non-profit organisation employing more than 40 highly skilled, professional music teachers. We visit schools around the county to deliver instrumental lessons, curriculum support, workshops, performances and more.

We deliver consistently excellent teaching, whilst ensuring that financial circumstances are not a barrier to music education. We also ensure that young people have access to performance opportunities and group music making, either in their school or the local community.

Our teachers work within experienced teams, where learning resources are developed to reflect the changing needs of students. Safeguarding of children is a priority and all our teachers benefit from regular training in several key areas. Teachers are subject to enhanced DBS checks, suitability to work checks, routine monitoring, and performance management.

Students may be taught individually or in small groups, and lessons usually take place in school during the normal day. Timetables are monitored to reduce the impact this may have on core subjects. We teach most instruments and have a range of equipment for hire. We are also happy to advise parents when buying an instrument, and we work with a number of specialist, local retailers.

Worried about your child's health? Think 'Pharmacy First'

You can now get treatment for a variety of common conditions and minor illnesses from your local community pharmacy.

Your pharmacy can help with:

- Earache (ages 1-17)
- Infected insect bites (from age 1)
- Impetigo (from age 1)
- Sore throat (from age 5)
- Hay fever (all ages)
- Conjunctivitis (all ages)

If you don't know whether a pharmacist can help with what you need, give them a call first or just pop in.

If you get a prescription through your pharmacy, you'll never pay more than if you had seen your GP.
