## Summer 2 – Week 4

It has certainly been a very hot week, and I would like to say how proud we are of all the children. Despite the high temperatures, they have continued to work hard, looked after one another and coped brilliantly with the changes we have had to make to keep everyone safe.

On Monday, our **Educational Welfare Officer** from the Local Authority visited school to review attendance across all year groups. Good attendance is so important, and we continue to work closely with families to ensure every child has the best possible opportunity to learn and achieve.

On Tuesday, we carried out a **lockdown practice** as part of our safeguarding procedures. The children completed the drill calmly and sensibly, following instructions brilliantly. We hope we never need to use these procedures, but it is important that we practise them so everyone knows what to do in an emergency.

On Wednesday, we welcomed **Dave from Skip2BFit** back into school. The children thoroughly enjoyed taking part in the workshops, and it was lovely to see so many family members joining in with the activities. Thank you to everyone who came along and helped make it such a successful day.

Today was due to be our Sports Day at Calder High. Unfortunately, due to the extreme temperatures and in the interests of keeping everyone safe, we made the difficult decision to postpone the event. Thank you for your understanding and support.

Instead, we will be holding a **scaled-down Sports Day** in the back playground on **Thursday 2nd July**, and families are very welcome to come along and cheer the children on.

- **Nursery, Reception and Year 1:** 9:15am
- **Years 2 and 3:** 10:30am
- **Years 4, 5 and 6:** 1:30pm

Finally, with the warm weather expected to continue into the weekend, please take care, stay hydrated and keep safe in the sunshine.

We hope you all have a lovely weekend, and we look forward to seeing everyone next week.

Dave from Skip2BFit brought this years Family Day on Wednesday. Early Years enjoyed sharing their session with family members and included some Box2BFit!

## Fun out of the Sun!

The children in FSU and Year 1 were trying to cool down after a busy day. They had fun splashing in water and playing with bubbles!

Science experiments take many guises!

Early years were cleverly keeping cool by painting ice. Mr. Brown even got involved and was trying to cool his neck!

Coby in Year 1 was determined to play in the sun for as long as he could by applying plenty of sun cream!!

## Dogs on school premises.

Can we ask that in the first instance  
dogs are not brought on to school  
premises but those that must come  
in are carried.  
Thank you.

## Nut-free Academy.

Can we take this opportunity to  
remind everyone that Burnley Road  
is a wholly nut free space. Our  
kitchen strives to source the correct  
ingredients and can we ask that  
parents who send packed lunches  
are mindful that no nut or nut  
containing products come in to  
school. Thank you.
