Autumn 1 – Week 5

We ended another busy week at Burnley Road with our **Harvest Festival at St Michael's Church this morning**. The children spoke and sang beautifully, and we were incredibly proud of the confidence and enthusiasm they showed. It was lovely to see so many families joining us too and sharing in this special celebration.

We were also delighted to welcome **Molly from Happy Days**, who spoke during the service about the important work the charity does to support people in our local community.

A huge thank you to everyone who generously donated food for **Happy Days**. We have received a fantastic collection, and your donations will now go to support local people and families who need a helping hand. Harvest is a wonderful opportunity to remind our children of the importance of kindness, compassion and thinking of others, and once again our Burnley Road community has shown these values in action.

We also have some fantastic news from last Friday's **Macmillan Coffee Morning**. Thanks to the generosity of our families, the event raised an amazing **£191 for Macmillan Cancer Support**. Thank you to our PTFA for organising the morning and to everyone who came along, donated and enjoyed a cuppa and a treat with us.

It has been a week that has really demonstrated the strength of our school community. Whether through singing together, supporting local charities or simply looking out for one another, we are incredibly proud of the caring community we have here at Burnley Road.

Thank you, as always, for your continued support. We hope you all have a lovely and restful weekend.

Burnley Road Academy

A huge thank you for all the donations to our Harvest Festival today at St Michael's Church and to all those families who joined us for this special celebration. Your generosity is very much appreciated and will help support people in our local community through Happy Days. We will continue to accept donations throughout next week, and up to the charity collects.

Nut-free Academy.

Can we take this opportunity to remind everyone that Burnley Road is a wholly nut free space. Our kitchen strives to source the correct ingredients and can we ask that parents who send packed lunches are mindful that no nut or nut containing products come in to school.

Thank you.

On Weds 30th in FSU we celebrated the great British milk break as part of World School Milk Day. We had some fun colouring and activity sheets to do alongside drinking lots of yummy milk. This then lead us to talk about why milk is good for our bodies and that our bones and teeth need the calcium from the milk to keep us strong. We all then got to take a special certificate home with us.
