Autumn 1 – Week 2

It has been another busy and positive week at Burnley Road, and the children continue to impress us with how well they have settled into the new school year.

This week saw the return of **Clay Club**, giving children another opportunity to get creative and develop their skills. On Monday, we also welcomed **Coach Ben and Coach Dan**, who worked with most classes to deliver specialist PE sessions. The children thoroughly enjoyed getting active and developing their sporting skills.

Our **Year 5 children** have begun their **CREST Science sessions at Calder High**, giving them the exciting opportunity to develop their scientific knowledge and skills in a secondary school setting. Swimming has also resumed for **Year 5 and some of our Year 6** pupils at Sowerby Bridge Swimming Pool.

We are also really pleased to see that **attendance has improved this week**. Being in school every day makes such a difference to children's learning, friendships and progress. Thank you to all of our families for your support in helping children to attend regularly and arrive ready for the school day.

It has been lovely to see another week full of learning, creativity and activity across school. The children have continued the super start they made last week, and we are very proud of them.

Thank you, as always, for your continued support. We hope all of our children and families have a lovely weekend.

Drinks in school.

Can we ask that fizzy drinks or milkshake type drinks are not sent in to classrooms at any time. Water or alternatively, weak cordial drinks made up at home are perfectly fine.

Many thanks.

Dogs on school premises.

Can we ask that in the first instance dogs are not brought on to school premises but those that must come in are carried.

Thank you.

Nut-free Academy.

Can we take this opportunity to remind everyone that Burnley Road is a wholly nut free space. Our kitchen strives to source the correct ingredients and can we ask that parents who send packed lunches are mindful that no nut or nut containing products come in to school.

Thank you.
