Autumn 1 – Week 1

What a wonderful first week back at Burnley Road!

It has been lovely to welcome all of our children and families back to school, and we are incredibly proud of how well the children have settled into their new classes. There has been such a positive atmosphere around school, with children looking smart, working hard and showing that they are ready for the year ahead.

We have also been delighted to welcome two members of staff to our team. **Mr Lynch** has returned to Burnley Road and will be teaching our Reception and Year 1 children while Mrs Holmes is on maternity leave. We are also very pleased to welcome **Miss Ashraf**, who will be teaching Year 5 on Thursdays and Fridays. We hope they both have a very happy year with us.

In our assembly on Wednesday, we talked about taking **pride in everything we do** and introduced our **Presentation Promises**. These are our shared expectations for how children present their work in their books and will help us to develop a consistent approach across the whole school. We talked about how a page we are proud of reflects the care, effort and perseverance we have put into our learning. The children have already made a fantastic start in putting these promises into practice.

Most importantly, it has simply been wonderful to have the school full of children again. They have returned with smiles on their faces, enthusiasm for their learning and kindness towards one another. We could not have asked for a better start to the new academic year.

Thank you to all of our families for helping the children to start the year so positively. We are really looking forward to everything that **2026/27** has in store for our Burnley Road community.

Have a lovely weekend, everyone!
