Stanbury Art School – Art Gallery!

Dear Parents and Carers,

Over the last week and a bit, the children have taken part in Stanbury Art School, and what a fantastic experience it is proving to be!

The enthusiasm the children have shown towards art has been wonderful to see. The atmosphere around school has been incredible, with children fully engaged, excited and proud of their learning. We have also been very fortunate to welcome an artist into school, who has inspired the children and helped them to explore a range of creative ideas and techniques.

The work the children have produced has been exceptional, and we are incredibly proud of their creativity, effort and imagination.

We are pleased to invite all parents and carers into school on Thursday 18th June from 2:15pm to celebrate our Summer Topic and to see the wonderful work the children have created throughout Stanbury Art School in our exclusive gallery. This celebration will run from 2:15pm until 3:00pm.

As we are unable to facilitate all of our children safely in the hall at once, alongside parents and carers, we will have seven children from each class in the hall at a time. These children will explain what they have done during Stanbury Art School and will change every 10 minutes, so that a range of children have the opportunity to share their learning.

If you are unable to attend during this time, there will also be an opportunity to come into school after school once all children have been dismissed to see what the children have been working on. The art gallery will remain open for this until 4:00pm. To access the art gallery after school, please enter through the hall door in the KS2 playground, in a similar way to Parents' Evening.

There will also be an opportunity to purchase some framed pieces of artwork created by your child. These will be available for £3, or you are welcome to pay more if you feel able and would like to contribute towards school funds, helping us to provide more exciting opportunities like this again in the future. Please bring cash with you if you would like to purchase any artwork.

It will be a fantastic opportunity to celebrate the children's achievements, creativity and hard work, and we look forward to welcoming you into school.

Kind regards,

Mr A Robinson
Headteacher
