School Spider – Important Final Reminder

Dear Parents and Carers,

Thank you for your support with the launch of School Spider. Following our letter last week, we are pleased to confirm that **96% of our families have now successfully registered**, which is a fantastic response. Our original invitation explained how families could activate their account and begin receiving school communications securely through School Spider.

We are now approaching the final stage of our transition. **Our access to School Jotter will cease on Friday 25th September 2026. From this date, school communications will no longer be sent through School Jotter and School Spider will become our main method of communicating with families.**

It is therefore extremely important that all families are registered with School Spider so that you do not miss important messages, updates or information relating to your child.

This week will also see us invite our first families to our Friday Celebration Assembly. If your child has been selected to receive an award, your invitation will be sent through School Spider on Wednesday. Please make sure you are signed up so that you don't miss out on an invitation!

To ensure that nobody is missed, **a hard copy of this letter will be sent home today specifically to families who have not yet registered.** If you receive a paper copy, please activate your School Spider account as soon as possible – the invite is sent to the email address school has registered for you. If you are having any difficulties registering, have not received your invitation email, or need the invitation to be resent, please contact the school office and we will be happy to help.

Thank you once again for your support. Having 96% of families registered already has made the transition extremely positive, and we are keen to ensure that every family is connected before School Jotter access ends on Friday.

Kind regards,

Mr A Robinson
Headteacher
