Year 6 – SATs Results – Delay

Dear Parent/Carer,

I am writing to let you know about a delay to this year's Key Stage 2 test results, which affects all schools nationally.

Schools were due to receive results on Tuesday 7 July 2026. However, Pearson Education Limited, the provider responsible for administering, marking and returning Key Stage 2 results to schools, has informed the Department for Education of a delay affecting the national system used to make results available to schools. **Results will now be available to schools on Thursday 16 July 2026.**

We know this delay may feel frustrating, particularly as pupils and families are understandably keen to receive their results. However, this will not get in the way of celebrating everything your child has achieved at the end of their primary school journey. We are incredibly proud of our Year 6 pupils and all of their hard work throughout their time at Stanbury.

As a result of this national delay, your child's end of year report will not include attainment grades for Reading, Spelling or Mathematics, as these will follow as part of their Key Stage 2 SATs results. We will share these results with parents as soon as we are able to after they are released to schools.

This delay will not impact your child's transition to secondary school and no action is required from parents or pupils. We will share results with you as quickly as possible after we receive them on Thursday 16 July.

Thank you for your patience and understanding.

Yours sincerely,

Mr Robinson
