

# Is your child ready to learn?

Your school nursing team wants to ensure your child has a great start to their learning journey. If your child will reach school-age between now and September 2026, we will invite you to one of our helpful “Ready to Learn” sessions.

We'll be sharing tips and advice so your child can:

- Get dressed on their own - putting on and taking off their coat
- Eat without help using a knife, fork and spoon
- Go to the toilet without help
- Listen to their teacher - you'll find out how to help your child concentrate and engage in school, as well as the importance of sleep and bedtime routine
- Begin to write – we'll explore ways to help develop your child's writing skills
- Feel confident and happy – so they settle quicker when you leave them at school.

Please call us on **01274 221203** to book an appointment.
