A Message from the Mr Booth

It has been a fantastic half term at Kilnhurst Primary School. Thank you for your continued support with attendance, behaviour, and home learning. We are proud of all the children and their achievements. As we move into the summer term, we look towards our end of Key Stage assessments (SATs) and phonics screening tests. We know that our pupils will give their best!

Have a wonderful Easter break and we will see you back in school **on Monday 13th April at 8:40.**

Mr Booth :)

Highlights This Half Term

- Y4 educational visit to Birmingham to the Think Tank was a well-received event and the pupils really enjoyed it!

- Our Easter bonnet and Easter Egg designs – We had a superb turnout for these two competitions. Despite being immensely impressed by all entrants, these pupils were our chosen winners.

- Congratulations to our "name the bunny" contest. We can now confirm that the bunny is now called **PEBBLES!**

Attendance Matters

Our whole school attendance target: **97%**

Our whole school attendance this half term: **95.54%**

Congratulations to Foundation Stage Two who averaged **98%** over this half term.

We look forward to seeing which class will challenge them for top attendance next half term!

This half term **79** pupils managed to achieve 100% attendance which is a superb achievement! We cannot wait to see that number being bettered for the next half term!

Keep it up! 😊

Celebrations

We are proud of all our pupils for their effort this half term. We

want to share our finished Lioness which we have created to raise money for Sheffield Children's Hospital! Our design was created by our pupils from the beginning to the final product. However, this would not have been achieved without the dedication of Miss Towers who led this project.

Keep an eye out for more information about a sponsored "Safari run" after Easter. Our aim is to raise £950. We are not quite there yet so every little helps!

Important Reminders

- Reading at home remains essential. Reading with your child 3 times a week will go a long way to improving their outcomes in school.
- If you need to pick up your child before the end of the school day please inform the office and provide the relevant appointment card.
- **Parent survey: We want to know what you think!** We have included the [code link here](#). Alternatively, you will find the link in school waiting areas for parents evening which takes place after Easter.

Thank You

Thank you for your continued support. We hope you all have a safe and enjoyable break.
