

This week in school

We've had an active week at SSP! Our Year 6s returned from their residential. This was a hugely successful trip and they pushed themselves out of their comfort zones to scale the climbing wall, zip wire, giant swing and more! A huge thank you to the staff who accompanied them on this trip and have helped create such wonderful memories. Children took part in a music workshop with one of our very talented parents! Next week Mrs Lawes returns for the day on Friday to run our language celebration event!

Scooter and Skateboard Workshop – by Sophie in Year 5

'On Wednesday this week, Alex from Team Rubicon came to teach our school skateboarding and scooting skills. He taught us many skating tricks including cruising, pancake flips and trick names 'tick tack'. Alex also bought lots of safety equipment to ensure everyone was safe. Thank you Alex and Mrs Shinn for arranging this experience.'

School Uniform Policy

We allow the wearing of **plain, black trainers** as well as the traditional school shoe. We feel offering a trainer option gives a more practical shoe option for primary aged pupils who so often scuff and damage their shoes at playtime, playing football, climbing etc... it is often more reasonably priced, more easily accessible and can be worn in and out of school giving you more value for money. We wanted to give plenty of notice before purchases begin for the new academic year. **Our requirement is that it is plain and black with no coloured logos or coloured laces. See pictures:**

We have had further reports this week of parents parking on double yellow lines outside of school. Please adhere to the highway code: **Double yellow lines indicate that waiting (which includes parking, stopping to drop off or pick up passengers, or loading/unloading) is prohibited at all times, even when controlled parking zone hours are not in effect**

Message from Councillor Chris Taylor**Cubs and Scouts**

The Dennis Marsh Scout hut just outside the school gates is home to the 6th Salisbury Scouts (Air Scouts). The numbers of cubs and scouts have reduced in recent years and the troop is desperately seeking help from adults/parents who might be willing to be trustees or offer their help to be leaders. They also would like to grow the numbers of children. Given my own aviation expertise I am planning to help them out with their aviation projects, like aero modelling, radio control models, visits to local aviation museums and hopefully some actual flying if we can get enough support to make it work. Please get in touch with me if you can offer this worthwhile troop any support. (07956969664). More info about the scouts can be found on their website: <https://www.scouts.org.uk>

Parking – Dennis Marsh Scout Hut

I was made aware this morning of the damage done to the Scout Hut's gate post – apparently by someone picking up their children. Access to this facility was not easy to achieve so please could I urge all carers to be careful when using the car park.

Thank you – Councillor Chris Taylor

Kind regards,

Mrs E Weavers
