

## This week in school

My final newsletter.... A quick calculation and I think I've written about 400+ newsletters over my headship! I am going to keep this one brief because you all have summer holidays to start!

We have had a wholesome week in school. It has been a wonderful week of celebrations as we say goodbye to one another for the summer break and prepare, with excitement, for September. Our Year 6s have maximised their final few days with a stunning leavers' service and summer bounce. It has been so special to see them show off their talents and skills and hear about their favourite SSP memories. The leavers' service link is available on Seesaw and you can download and watch in the comfort of your own home!

I want to thank you all for your wonderful messages, cards and gifts. I have been blown away by the generosity and love shown to me. I have had the perfect goodbye week and am leaving with a **huge heart**. I am going to take some time over the next few days opening and re-reading all of your cards and gifts and the children's leavers' book for me.

I am so confident in the handover with Mrs Easthope, we have a lot in common and share very similar values and work ethic. I am leaving you all in safe hands with a fabulous Senior Leadership Team, teachers, support staff and governors.

I wish you all a very restful summer break! Mrs Weavers xxx

## River Park Project

Yesterday we were invited to visit the River Park project and test out the new play park with our art competition winners.

It is a beautiful park and will bring lots of joy and excitement to Salisbury children. We plan to organise some class trips to the park and surrounding area in the new term.

## Wellington Boots

During the holidays please make sure that you have a pair of wellies which fit and do not leak ready to bring back to your new class in September. These are needed to be kept in school for play on the grass and for forest school.

## FOSSP – Friends of Sarum St Paul's

Thank you FOSSP for the fundraising you have done this year and the hours you have given to our school. There is a bag of goodies in the school office for your first autumn meeting. Mrs Weavers 😊

## BBQ – Save the Date

On Saturday 20<sup>th</sup> September, the PTA will be hosting a BBQ for family members and staff. This will be an opportunity for you to meet Mrs Easthope. There will be a bar, tombola, bake off and more. Please put the date in your diary!

Kind regards,  
Mrs E Weavers
