Dear Parents and Carers,

We had a review of phonics this week and the children have made so much progress. This is due to the hard work of them and the staff. Any additional reading you can do at home will support this progress.

In Y1 and Y2 next week, the children will be bringing home a piece of paper with QR a code on. This is for parents and carers to scan and log into the Ruth Miskin phonics scheme website with learning to do with your children at home. Please do log into this to support your children's phonics learning.

As you are aware, it is has been a very cold week. Our kitchen has cooked some lovely, delicious hot food for the children. Unfortunately, some children are refusing to try some of the meals. Please can you try to support us to keep your children healthy and happy during the school day by eating their midday meals!

We are planning our next parents' evening for Wednesday 1st March, from 3:15 -6:30. Further details will be sent out nearer the time, but please, save the date.

We have had some children keeping mobile phones with them all day at school. If your child needs to bring a mobile phone to school, they **MUST** hand them into their class teacher. We have spoken to the children about this in school, please also remind them at home.

Thank you for all your support of our 'Can do school.'

Have a lovely weekend.

Yours sincerely,
Mrs E Ford
