Weekly Newsletter

Around the school!

It's been another busy week here at Roger de Clare. Class photos, Leavers' pictures, the EYFS trip, a tour for some of our children at Ralph Sadleir and a visit by the Year 5 staff at Edwinstree added to the usual curriculum provision on offer. Caroline came to share about the creation of the first church, following our learning on Pentacost last week. This also gave us an opportunity to reflect on the importance of community and gathering together. KS2 'enjoyed' their practical Science session replicating the journey food takes from start to finish! Plans are also underway for our new academic year and as we enter the final stages of organisation and preparation, I look forward to updating you all on this shortly.

Non-uniform Day

You may well have heard the amazing news that a committed group of local volunteers have secured grants to re-open the swimming pool at Freman College in Buntingford. Whilst the grants enable some of the major jobs to be tackled such as upgrading the filtration system and re-tiling, there are many more areas that need to be tackled. Some of these include, a new air handling system that will make running the pool much cheaper, lockers, new shower curtains and upgrading the showers themselves. On Friday 19th June, we will be holding a non-uniform day in exchange for any monetary donation you feel able to give. All of the money will go directly to the Trustees to enable them to continue in their work of returning a valuable asset to our community.
