Weekly Newsletter

Around the school!

Congratulations to EYFS who shared their super learning in the last Sharing Assembly of this academic year. Thank you to all staff and children and to all parents and carers for attending.

There has really been one thing on our minds this week and that is the heat. I would like to begin by praising the children who have been exceptional. They have coped well and followed instructions regarding the changes in provision. Thank you to all staff across the school from the office to the classrooms and from the kitchen to the cleaning team. You have adapted the curriculum and provision and carried on in unbearable temperatures.

I would also like to thank all parents and carers who have supported our decision making this week, understanding that the safety and wellbeing of all members of our community comes first in all we do. A very special shout out to the group of parents who have clubbed together to buy some of the classrooms new fans to help keep temperatures down. We very much appreciate your generosity.

Sharing Assemblies - Summer Term

Thank you all for coming to our Sharing Assemblies this term!

UPCOMING EVENTS

If you are new to our school - or just need a little reminder - we have some important events coming up.

Transition Day - Thursday 9th July 2026

On this day, all our Year 4 children will go to their new schools. All other children will spend the day in their new classes (for Nursery and Reception children, please see different times). A further email will follow with directions to the new classes so you know where to drop off and pick up on the day. Class teachers will be announced in the end of year reports which will come out shortly before Transition Day.

Sports Day and Open Morning - Friday 10th July

Children will participate in Sports Day from 9am to 10.15am (approx.). Following this, the school will be open for you to visit classrooms, meet the current and future teachers and look at your child's work. During the morning, you are welcome to purchase food from Reggie's Diner, the PTFFA or bring your own picnic to enjoy. School will close at 12.30pm for all children.

Further information about the logistics and finer organisation of both events, will follow in emails via Arbor.
