## School Art Gallery Exhibition

What a great success our whole school art exhibition was this week. We sold a large number of fabulous pieces of art work and we received some great feedback from parents.

If you didn't manage to get to the exhibition and would like to buy your child's art work, you can purchase this in the shop on ParentApp.

On Friday 15<sup>th</sup> May we will hold our annual sports day and we would love for you to be able to join us. The events will begin at 9:15am.

You are welcome to wait in the junior playground once you have dropped your children off. Refreshments will be available on the junior playground.

In the unfortunate event of poor weather on this day we have a reserve date of Friday 12<sup>th</sup> June.

=====

This week in ECO lessons the children have been focusing on wind.

The infant children have been making wind socks and the children in the juniors have been learning where the windiest place is in the UK!
