Next Wednesday (8th July) children are taking part in World Cup Day in school. They can come into school wearing a football shirt or sportswear which they will wear all day.

Each class was given a group within the competition to follow and of the 4 countries within their chosen group they have been researching 2 of the countries.

They will be sharing their findings with another class in school and also take part in a penalty shootout!

On Thursday next week we will hold our annual sports day and we would love for you to be able to join us. The events will begin at 9:15am.

You are welcome to wait in the junior playground once you have dropped your children off. Refreshments will be available on the junior playground.

=====

Thank you to all the families who joined us on Wednesday to celebrate our Green Flag Award for 2025 -2026. It was lovely to hear the school choir perform and the Eco Ambassadors share their learning from over the year.

Reminder that the Eco Ambassadors are running a poster competition. They are asking children to create an Eco poster of their choice. This could be a poster to celebrate achieving the Green Flag status or focus on a key element of eco for example, litter picking, recycling, climate change etc. Please can these be brought in to school by Friday 10th July.
