Tuesday 28th April – School Art Gallery Exhibition

The school will be open to families to attend on two separate occasions.

You are welcome to join us at 8.50am where you will be able to meet your child/children in the school hall and look at the art work together or you are also welcome to pop into school from 3.00pm until 3.30pm.

The children have all produced a piece of Artwork for our exhibition. If you would like to purchase your child's art work it will cost £2.

If you are unable to attend the event you can send £2 into school in a clearly labelled envelope with your child's name and the class that they are in. The work will be displayed until the end of half term and then purchased pieces of work will be sent home.

Science Shows

The Royal Institute of Science visited us on Tuesday and what a fantastic day we all had! The children enjoyed a science show which taught them about super cells. Thank you to all of our families that came to watch the show in the afternoon. We had some amazing feedback 😊

What's coming up
