Internet Safety

On Tuesday the children celebrated E-Safety day. This year's focus was on using AI safely. The juniors joined a live lesson from the BBC where they learnt how to create a safe and useful AI chatbot. Children completed lots of different activities throughout the day such as designing their own AI chatbot too!

On Friday, our digital leaders led our E-Safety coffee morning where they talked about age related restrictions and how to use AI safely. Thank you to all those that could attend.
