Mental Health Support Team

We are pleased to let you know that we now have Tom Chambers from the NHS, Mental Health Support team working in partnership with school on a Thursday.

What support does the mental health team provide?

They support children and young people at school, who are experiencing mental health difficulties such as anxiety and low mood. This includes:

- One to one and group therapy/skills sessions for children and parents/carers.
- Advice or signposting to other services who can help you and your child.
- Support schools around their wellbeing for pupils and staff.

Tom Chambers and his colleague will be available to speak to you on Monday evening at parents evening from 3.30pm – 5.00pm

World Book Day

On Thursday, the children enjoyed celebrating world book day in school. Some of our families also joined us in the morning in our reading café. We have celebrated our love of reading throughout the week by taking part in quizzes, reading within our houses and finding out, all about the interesting words and characters staff and children had come dressed up as. We finally revealed the winners of our Design a book in a bottle competition. We had some excellent entries from all our classes and the ambassadors had a difficult job judging!

Thank you to all our families for your support.

Spring Concert

Our annual Spring Concert will take place on Tuesday 24th March at 6.00pm. The children are already busy practising for the concert. We will be celebrating the children's learning that has been taking place so far over the school year. Parents are invited to come and watch and tickets can be purchased through the shop via the Parentapp at a cost of adults £2 and children £1. Ordered tickets will be available for collection from the school office from Friday 20th March.
