## Green Flag

We are delighted to inform you that School has achieved the Green Flag Award again this year with a distinction. This is due to the hard work of the Eco Ambassadors and also the dedication of our staff, pupils and families. The assessor commented *"It is wonderful to read that across your setting children have been fully engaged with your Champions of Antarctica framework. Focusing on issues that can be interactive and engaging for your students and staff alike is a brilliant approach. We do not have enough space to celebrate the phenomenal work that your school has completed this year."*
