## ***SLT***

We are truly embracing the festive season here! This week's nativities have been absolutely incredible – every performance was full of joy, talent, and hard work. We are so proud of all our amazing performers and want to say a huge thank you to the teachers and parents who supported them in making these events so special.

On a more bittersweet note, we are sad to share that next week will be the final week for Mrs. Pretty and Miss Challen, as they will be leaving us at the end of term.

We know you will join us in sending them your very best wishes for the exciting next steps in their careers, and in thanking them for all they have contributed during their time at Brooke Primary School.

Ms Weal

## **SPORTS NEWS**

This week in KS1 PE we have been continuing our unit of Netball and Korfball. In our PE lessons we have been focusing on finding and creating space for our teammates to score points in game situations and develop our ability to defend and mark players. A special mention goes to Louis in Sparrowhawks Class and Eilidh in Rose class for demonstrating excellent resilience and focus to improve their movement in games to create scoring opportunities for their teams.

This week in KS2 PE we have continued our unit of Netball and Korfball. Our focus this week has been to develop our tactical awareness as teams in game situations as well as improving our consistency and accuracy when shooting, ensuring we use the correct techniques depending on the distance and angle to the hoop.
