SLT

It has been a lovely and festive week in school. Our Bluebell Class visited Brooke House Residential Home, where they wowed residents with a wonderful performance of Christmas songs alongside Pete. The children represented the school beautifully, and the residents seem to really enjoy the festive cheer.

We also welcomed Bright Bites into school for an informative assembly all about keeping our teeth healthy. The children were fully engaged and came away with some excellent tips on how to look after their smiles.

As the weather has turned very cold, please do keep warm over the weekend—especially if you are heading out to any festive events or activities.

SPORTS NEWS

This week in KS1 PE we have been continuing our unit of Netball and Korfball. In our PE lessons we have been focusing on finding and creating space for our teammates to score points in game situations. A special mention goes to Krista in Rose class for demonstrating excellent resilience and focus to improve their movement in games to create space for her teams.

This week in KS2 PE we have continued our unit of Netball and Korfball. Our focus this week has been to develop our tactical awareness as teams in game situations. We have focused on the importance of 1-1 player marking and communication. A special mention goes to Ethan from Bluebells class for demonstrating excellent focus and great positional awareness to mark their opponent and win possession back for his team to create scoring opportunities.
