SLT

This week has been a wonderfully festive one in school. The children have been busy with Nativity practice, and it has been lovely to hear Christmas songs drifting through the corridors as each class prepares for the season.

We would also like to express our appreciation to the PTFA for organising the Scholastic Book Fair. It has been a great success and has raised some valuable funds for the school to invest in new books for our children. Thank you for your continued support.

As the colder weather settles in, please ensure that children come to school dressed appropriately for outdoor play, with warm coats, hats and gloves where needed.

SPORTS NEWS

This week in KS1 PE we have been continuing our unit of Netball and Korfball. In our PE lessons we have been focusing on passing and moving the ball as a team and marking players when we don't have possession. A special mention goes to Oliver M in Rose class for demonstrating brilliant awareness to mark their opponent and find space when his team had the ball when playing games.

This week in KS2 PE we have continued our unit of Netball and Korfball. Our focus this week has been to further develop our footwork techniques and our player marking. We have focused on the key footwork rules to ensure we maintain possession of the ball and then marking our opponents closely when not in possession to win the ball back. A special mention goes to Darcey from Saffron class for demonstrating excellent footwork techniques to maintain possession and great positional awareness to mark their opponent and win possession back in their games.

BIRTHDAYS

Happy 6th Birthday to Darcie, Year 1 on 30th November

BREAKFAST CLUB REQUEST

Just a quick reminder that our free Breakfast Club gates open at 8:15am and close at 8:20am so that staff have enough time to get breakfast ready and served. If you arrive after this time, please wait with your child until 8:30am.

We kindly ask that, even if staff are entering the gate after 8:20am, families don't come through with them. Thank you so much for your understanding and support!
