Woodnook Art Week

Dear Parents and Carers,

Last week we held a fantastic Art Week at Woodnook with the theme "This Is Me." Throughout the week, the children spent time learning about a range of different artists and created their own artwork inspired by the theme. It was wonderful to see their creativity, individuality and confidence shining through in their pieces.

On Friday, our school hall was transformed into a beautiful art gallery where the children's work was proudly displayed. The exhibition was a lovely celebration of all the effort and creativity that went into the week.

Thank you to all the parents and carers who came along to visit the gallery. The children really enjoyed showing off their artwork and talking about the pieces they had created.

A special thank you to Mrs Salha and Mrs O'Hare for their efforts in organising such a successful and inspiring week.

At Woodnook, we are passionate about unlocking children's talents, and it was clear to see that we have many very talented artists in our school. Watch this space for our next Enrichment Week, which will take place in the summer term and will focus on careers and aspirations.

Kind regards,

Mrs MacMahon

World Book Day 2026

Yesterday our school had a wonderful time celebrating World Book Day! The children came into school wearing their pyjamas and brought along their favourite books to share. It was lovely to see so much enthusiasm for reading across the school.

Throughout the day, the children took part in a range of fun reading activities, sharing stories with classmates and celebrating their love of books together.

A big thank you goes to Mrs Fisher for organising such an enjoyable World Book Day for everyone.

Nut-Free School

Woodnook Primary School is a nut-free school. We have a number of pupils who have severe nut allergies. Please ensure children do not bring any food containing nuts or nut products into school in their packed lunches or as snacks.

Safeguarding Children and Families at Woodnook

Keeping children safe in school is one of our key priorities. Our Designated Safeguarding Leads are :

Mrs MacMahon - Headteacher

Mrs Broderick – Assistant Headteacher

Mrs O Hare - SENCO

Mrs Dickinson – Attendance and Family Support Worker

If you have any safeguarding concerns please contact school.

Operation Encompass

Operation Encompass has been adopted within Lancashire, to provide early reporting to schools such as ours, about all domestic abuse incidents that occur outside school hours which a young person attending Woodnook Primary has been exposed to and which then might have an impact on their schooling the following day. This information is shared throughout the year, including school holidays and weekends.
