

Home Learning Projects

(Autumn A)

This half term, you have been set three projects to complete. For each project you have two weeks to complete and hand in to your class teacher.

Please email any digital copies to your class teacher.

Project	When do I have to hand my project in?
<u>Science</u> Create an animal habitat	Friday 17 th September 2022
<u>Art</u> Paint a harvest picture using fruit and vegetables	Friday 1st October 2022
<u>Geography</u> Research a continent	Friday 15th October 2022

You will also have spellings to learn which you will be tested on each Friday. You must also practice your timetables for a test on Friday. Make sure you login and practice on *Times Tables Rock Stars!*

It is important that you also read at home daily. Your reading books will be changed on a Monday and Thursday.

Project 2: *Paint a harvest picture using fruit and vegetables*

This term we are exploring the famous artist **Giuseppe Arcimboldo**. We will be using fruit and vegetables to create an art piece. We would like you to make one at home based on our theme 'Harvest'.

Remember be creative and use fruit and vegetables in any way you can.

Project 3: *Research a continent*

In Geography we are recapping the 7 continents and 5 oceans. Can you remember them all? You need to choose one continent and research all about
