A Wonderful Start to the New School Year

It has been wonderful to see how well the children have settled into their new classes over the first two weeks of term. They have returned to school with such positive attitudes and enthusiasm, quickly becoming familiar with new routines and embracing their new learning. We are incredibly proud of the way they have approached the start of the year and look forward to seeing all that they will achieve in the months ahead.

For some of our Year 6 children and families, this is also an exciting time as they begin to visit and consider secondary schools for next September. Choosing the next step in their educational journey is an important milestone, and we hope that everyone enjoys exploring the opportunities available and thinking about the exciting next chapter ahead.

Healthy School Lunches

It has been wonderful to see so many of our children coming into school with healthy, balanced packed lunches from home. Thank you to our families for supporting us in encouraging positive and healthy choices.

Our 'Balanced Bite' school restaurant has also been busy serving a fantastic range of freshly cooked, nutritious meals each day. It is lovely to see the children enjoying their lunches together and trying the different meals on offer.

Please remember to check the school website for our weekly menu and encourage your child to try some of the delicious dishes available!
