10 July 2025

Dear Parent/Carers,

We are delighted that your child is going to be part of this year's Summer School. The programme is designed for students to make new friends, learn new skills in a variety of subjects, and ultimately have as much fun as possible.

I would like to take this opportunity to finalise a few details in preparation for the Summer School.

Timings

Summer School will run from 8:30am – 3:00pm. Students should go directly to the Theatre via the front drive each day to register; this is accessible from both Midgley Road and Brier Hey Lane. Students will return to the Theatre at the end of each day where they will be dismissed and trusted to make their own way home, or remain with staff until they are collected.

Lunch

Students are asked to bring their own packed lunch and any snacks that they may want throughout break time. Please ensure that students also have a water bottle with them, which they will be able to refill throughout the day at the water fountains.

Clothing

Students should wear clothes appropriate for safeguarding and active sessions. If the weather is good we ask that students bring their own sun cream, hats and/or sunglasses. Students will be responsible for applying their own sun cream.

Mobile Phones and Electronic Devices

Students are not encouraged to bring a mobile phone to summer school, but may do so if it is needed for vital communication purposes. Phones must be turned off and in a bag at all times and should never be seen on the school site.

How to contact us during Summer School

We thank you for confirming if your child can only do certain days of the week of Summer School. We understand that sometimes there are unavoidable circumstances that your child may miss a day of Summer School, due to illness or other uncontrollable factors. If this is the case, please contact us on the following number: 07970729723. This phone will be turned on at 6pm on Sunday 17th August 2025.

If you are already aware that your child is unable to attend all 5 days, please let us know as soon as possible on the following email address, summerschool@calderlearningtrust.com

We look forward to meeting your child on Monday 18th August 2025.

Yours sincerely,

K Clough
