Tapestry Download

Dear Parents / Carers,

Now that your child is coming to the end of the Early Years Foundation Stage, you are able to download their Tapestry Journal for their Reception year. Please follow the instructions on the next page for how to do this, and please get in touch if you have any problems.

If you would like to, Tapestry also works with a partner company called Group Hugs to offer the opportunity to have the journal printed into a book. You can find out more information of how to do this [here](#).

All Reception children will be removed from Tapestry in September to allow for our new Reception cohort to be added. We will continue to share photos on our social media platforms and our weekly newsletter. Pupils will also receive a written report card in December and a full end of year report in July of Year 1.

Please ensure that you have downloaded your child's Tapestry Journal by 1st September 2025 if you would like to.

We hope you and your child enjoy looking back on their Reception year together!

Yours Sincerely,

K.Lambert

Everybody, Everyday

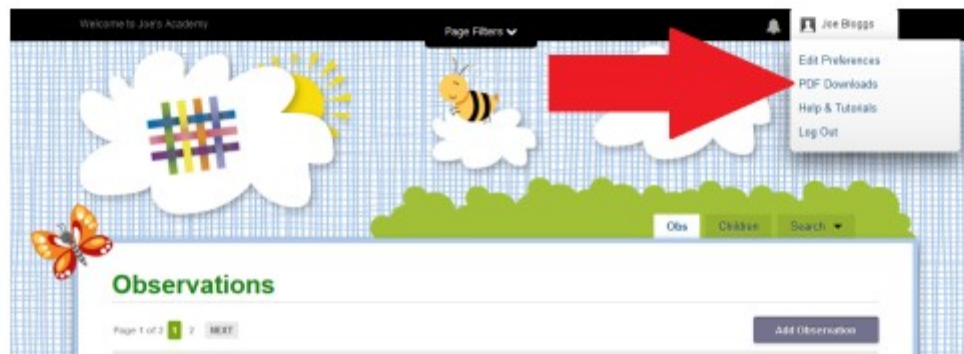

This tutorial explains how you can download your child's learning journal as a PDF through Tapestry. Please note that this can only be done when the staff at your child's setting have allowed it, usually at the end of the school year or if your child is moving to a new nursery or school. Downloads are only available for 7 days after being created, so don't delay downloading if it's possible.

Step 1: Log into Tapestry using the web browser version through our login page at <http://eylj.org>

Please note that PDF downloads are NOT available on the app version of Tapestry, and that you may need to download a special app to view PDFs on a mobile or tablet device.

Step 2: Click on your username at the top right of the screen and select 'PDF Downloads' from the dropdown list. If the PDF Downloads option is not visible please contact the staff at your setting for assistance.

Step 3: on the PDF downloads page you should see all downloads you have available. Click the red **Download Now** button to download your PDF. Make sure you save it somewhere safe, and if possible save it to permanent media off your PC, marking it so you will be able to find it in the future. Remember, Tapestry records will usually be deleted once your child has left!
