### New PE Kit Routine - Starting September 2025

We hope you're all enjoying a fun and relaxing summer break as we get ready for an exciting new school year ahead.

#### **Robins and Magpies**

At Manor Fields, we believe PE is not only about physical activity, but also about developing important life skills. For Reception, learning to dress themselves is a valuable part of their PE journey and is part of the Early Learning Goal for Physical Development - ***"Be increasingly independent as they get dressed and undressed."*** For Year 1, this continues to support pupils' ***independence and self-management skills***. Please send your child to school with a labelled PE kit; kits will be sent home for washing at the end of each term.

#### **Woodpeckers, Herons, Skylarks, Owls and Kestrels**

Having now developed the above-mentioned skills and to maximise the time available for high-quality PE lessons, pupils in Years 2-6 should wear their PE kit to school on their classes allocated PE days.

#### **PE timetable for Term 1 2025**
