Wednesday 24th June 2026

Dear Parents and Carers,

We would like to reassure you that school **will be open tomorrow morning (Thursday 25th June 2026)**, in line with the arrangements shared on Monday. There are no changes to the plans already communicated.

Arrangements for Thursday:

- School will close to pupils at **1:10pm**
- There will be **no afternoon provision**

- Children will have lunch before leaving school
- All children must be collected by a named adult
- No children will be permitted to walk home unaccompanied

Parental decision-making:

Following the extremely hot conditions today, and having reviewed our risk assessment again this evening, we fully understand that some parents and carers may choose not to send their child into school tomorrow morning due to the ongoing extreme heat.

Whilst we remain committed to promoting strong attendance, we recognise that these conditions are exceptional. We respect your right to make the decision you feel is best for your child. If you do decide to keep your child at home, we will fully support your decision, and the absence will be authorised.

We are also mindful that some local secondary schools have taken the decision to close and recognise the potential impact this may have on families. Our intention is to support all circumstances: respecting those who choose to keep children at home, whilst remaining open to support those who need to maintain existing work or other arrangements.

Looking ahead:

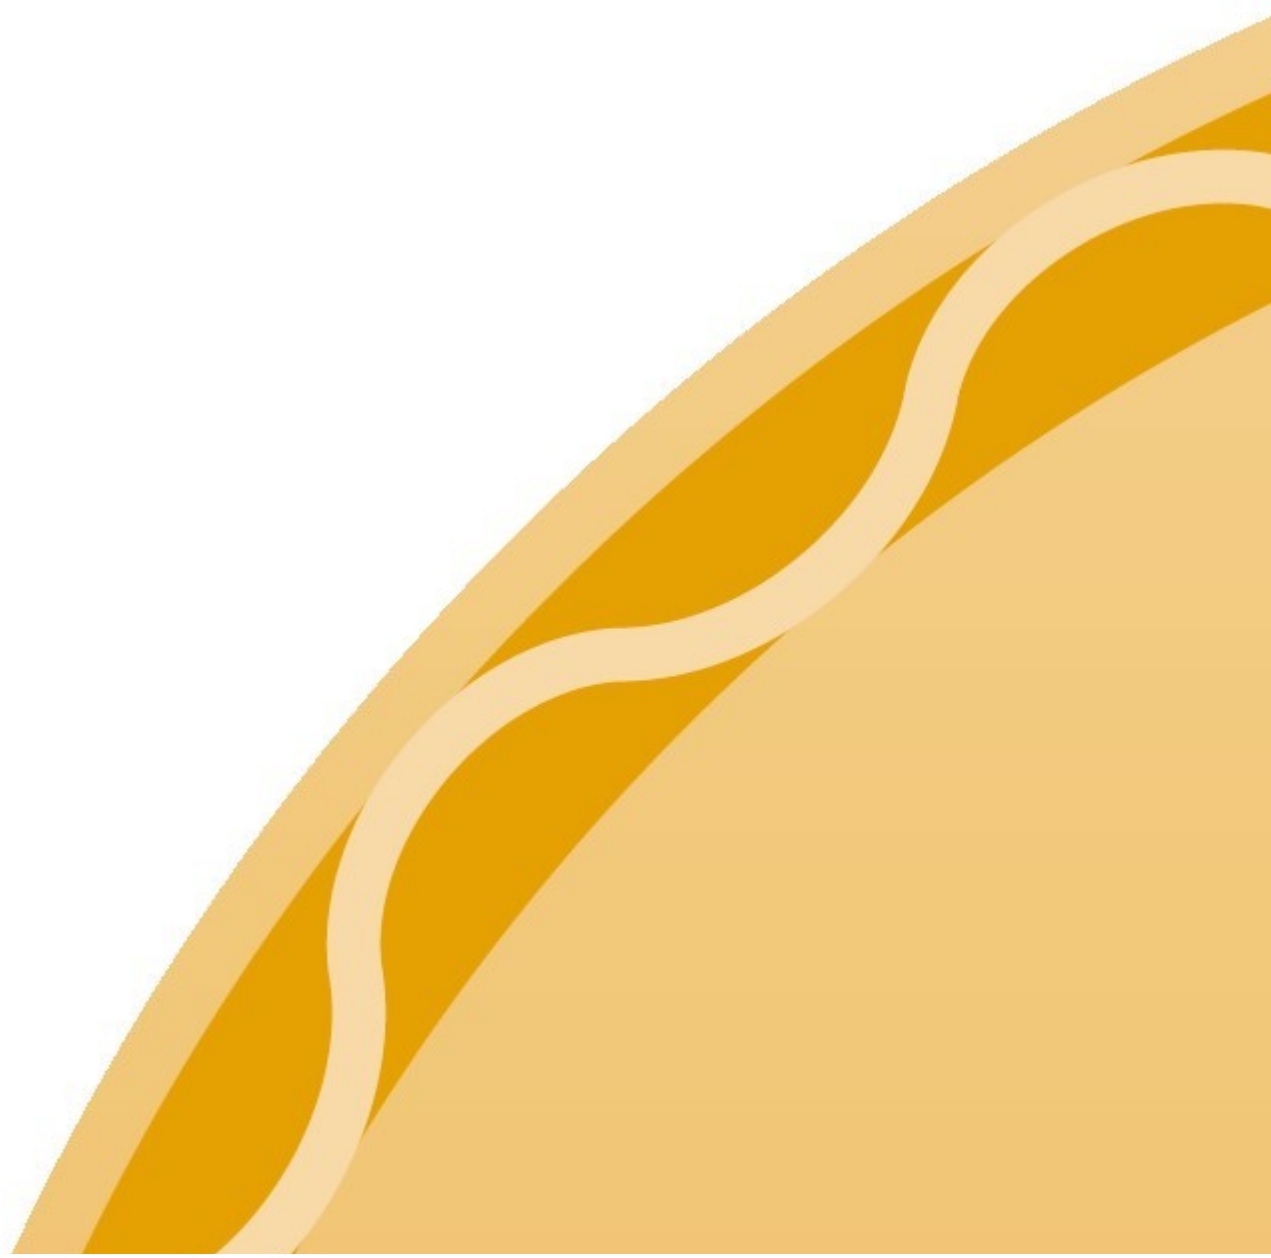

At this stage, school is expected to open as normal on **Friday**. However, this will remain subject to a further review of the risk assessment tomorrow, considering the latest conditions and guidance.

Thank you again for your continued understanding and support. We greatly appreciate the way our school community is working together to ensure everyone remains safe.

Kind regards

Jessica Clarke
