

# Summer Term 2023

## Newsletter

Welcome back to everybody, we hope you had a good Easter Break and are ready for the Summer Term. We had many visitors into school last term, including the Stay Safe Partnership who taught Online Safety and Mini First Aid to key Stages 1 & 2 and The Indian Dance Company who helped us celebrate Holi Festival. Key Stage 2 chose the snowiest day this year to visit the Yorkshire Wildlife Park and Classes 1 and 2 had a super trip to the Castle, where the weather was much kinder and the children enjoyed the views from the castle wall and explored archery, a banquet and designing a shield.

We had a great World Book Day with the children arriving in some amazing costumes and showing their knowledge at our Reading Competition. The children also enjoyed Science Week and developed their skills with new investigations. We know that the children thrive on these enrichment activities and I am sure they enjoy sharing their experiences with you.

The Easter Assembly was enjoyed by all and I was very proud of the children, who took part with confidence and enthusiasm, singing songs and telling the Easter Story. It was also lovely to see so many Dioramas brought in for the competition and I would like to thank you for the support you gave to the children in putting those together.

As always we are hopeful that the weather will now improve and stay warm so that the children can get out on the field. To enable us to keep them safe, especially during very hot days, please can you ensure they have a water bottle, sun hat and sun cream (applied in the morning).

Mrs. A Crawshaw  
Headteacher

As always can I encourage parents to visit our website which has a great deal of information contained therein. Letters, menus, event photos, Topic Sheets, performance data and curriculum information are all available to keep you up to date with School life. The School App is also a great way to receive information and regular updates.

In addition, I would like to draw your attention to our Safeguarding Policy which details the importance we place on children's safety. Here you will also find information about how you can contribute to the safeguarding of children and how to report any concerns. The E-Safety policy is also there to keep you informed about the best way of keeping children safe. Please follow the link to access our policies <https://www.tedder.lincs.sch.uk/key-information/policies>

Overleaf are the important dates for next term but I would like to draw your attention to the following:

**Week beginning 8<sup>th</sup> May – SATS week Key Stage 2.** We always take great care to ensure that the children are supported and do not become anxious during this week, so a good breakfast and a few early nights will help them through. I would stress that it is very important that the children are in school for that week.

**Week beginning 15<sup>th</sup> May – SATS week Key Stage 1** – Again we make every effort to make this a relaxed experience for the children and support them in every way. It is important that children are in school for that week please.

**3<sup>rd</sup> May – Wraites Photography** – As usual the photographer will return to take Class Photos.

**14<sup>th</sup> July Transition Day** – On this day all children will spend the morning in their new classes and meet their teacher for the next academic year. It is an exciting morning for all concerned and once again I would request that where possible children are in school for that opportunity.

## **Diary Dates**

### **May**

- W.C – After School clubs commence – details to follow
- 3<sup>rd</sup> May – Wraites Photos – classes
- 5<sup>th</sup> May – Coronation Celebration
- W.C 8<sup>th</sup> May – SATS week KS2
