Eco-School Newsletter 2025

At Cippenham Nursery School we are proud to have our green Eco-School award.

As part of being an Eco-School we have a few exciting challenges ahead for you and your child to get involved in.

**Big Spring Clean- 21st March to 6th April **

The children have enjoyed taking part in the Big Spring Clean. We have used our litter picker and we have collected 7 bags of rubbish from around the Nursery.

If you would like to borrow a litter picker, please see your keyworker to do your part.

Earth Hour- 22nd April

Our power, Our planet

Take part by having an hour of **NO** electricity. At Nursery we shall have 30 minutes of **NO** electricity in the morning and afternoon.

Please share your pictures on Tapestry of how you have helped.

BIG BATTERY RECYCLE

We are taking part in the Big Battery Hunt 2025.

The aim is to increase the number of batteries currently being recycled.

Your families are being challenged to collect as many used batteries as you can.

For those wishing to take part please ask your keyworker for a battery box.

There will be a prize for the most batteries collected!

Have a Safe and Happy Eco
