**PARENT'S morning** Our Year 1 parents joined us for phonics activities on Wednesday. They played phonics games, read alien words, matched phonemes to graphemes and made words using Lego. Thank you to those who joined us in our fun phonics Parents Morning.

EYFS have enjoyed their first week back at school. They have been linking all of their work to the Three Little Pigs. Nursery children have been counting and comparing numbers in maths and have been talking about what materials they would use to make a house. They have then worked hard to make a picture of their house using different materials. Reception have been learning how to write a letter to the big bad wolf using their phonics knowledge.
