MATHEMATICS

Maple class has been learning about money and comparing different amounts. To support this learning at home, we encourage you to discuss the cost of everyday items with your child. Talking about prices at the grocery store, the cost of toys, or how much things like meals or activities expense helps children develop an understanding of money's value and begin to make connections between amounts and real-world purchases.

HOLLINGWORTH LAKE
adventure & water activity centre

Year 5 went to Hollingworth Lake on Tuesday and participated in some fabulous watersports activities. They went bell boating, kayaking, rafting and on the giant paddleboard. They had an amazing day on the lake, working together, trying new activities, showing great physical endurance and most of all having lots of fun with their friends. A great experience for our year 5's.

FOOTBALL

Well done to our football team who played in a mini tournament last Friday. They showed some excellent football and maintained possession in a number of games showcasing their incredible skill. Bobby scored a blinding goal from near the half way line. Despite our best efforts we didn't quite make top 3 but the team still came away with a medal for their incredible teamwork.

Milnrow & Newhey District Carnival
Disney Parade

Thanks again to those of you who walked with us in Milnrow and Newhey carnival. You all looked wonderful in your Disney costumes and your support is very much appreciated.

EYFS

EYFS have been having fun in the water outdoors to try and keep cool during this warm weather.

ATHLETICS

Our year 5 and 6 athletics teams competed in the Pennine School Games athletics event earlier this week. They competed in field and track events and we came away with some great results. The year 5 girls relay team got 1st place, Lily in year 6 sprinted to 1st place in the 100m running race. Our year 5 boys relay team came 3rd place, Bobby came 3rd place in the sprint and Lilly in year 5 got 3rd place in the howler throw. Well done to team Newhey once again.

ATTENDANCE MATTERS

Well done to Hazel for achieving the highest attendance this week.

There are a number of educational visits happening next week. Please ensure you have completed the forms and paid on Arbor.

Monday - Year 5 are going to Manchester Museum
Tuesday - Year 3 are going to Hollingworth Lake Watersports activity day
Wednesday - EYFS are going to Blue Planet Aquarium
