<b>Maple</b>	Lucie & Archie
<b>Ash</b>	Emily & Theo
<b>Rowan</b>	April & Bobby
<b>Sycamore</b>	Nico & Dimitrios
<b>Alder</b>	All of the class!

## YOU DID IT!

Our INCREDIBLE Year 6 children have had an amazing week– they have completed their SATs and did so with pride!

They were amazing, and demonstrated so many of our school values throughout the week topped off with 100% effort. We are so proud of their attitude towards the tests and they did not let anything faze them in the slightest! They have worked so hard all year for this week and they should be immensely proud of themselves!

**ART** Willow Class have been creating 3D sculptures based on The Tree of Life. They used all of their paper sculpting skills that they have been practising in Art lessons over the past few weeks to make these colourful creations. Well done, Willow Class!

In Science EYFS have been learning about plants. This week's lesson was all about the parts of a plant. They learnt to name the roots, stem, leaves and flower. During forest schools they used the chalk to draw plants in the playground. Look at their wonderful drawings!

### Year 4 Reads!

In May 2026, students have read...  
**29 Books**  
**183,132 Words**  
 for **13 minutes/day!**  
 (individual student average)

MEMBERSHIP Accelerated Reader™

Our Year 1 pupils have been practising some tricky times tables this week through our time telling game. They raced to the finish line telling the o'clock and half past times as they went.

SCIENCE

The winning class this week is:  
**Maple Class**

Well done to **Alder** for achieving the highest attendance this week with **98.9%**!

Our school nurse Molly will be here on Thursday at 2pm. Please come along if you wish to speak to her about any health concerns for your child. No appointment needed.

There are a few events planned next week, please keep checking class dojo's or ask your child's class teacher if your child is involved.
