Well done to
Rowan Class
for achieving the highest
attendance this week!

St Thomas' Church

Key Stage One visited St Thomas' Church this week as part of their RE topic. They learnt about the church building, some of the features within the church and they looked at the Bible, pews and prayer cushions whilst inside. They also spoke with the vicar and learnt about special events that happen in churches such as christenings, weddings and Easter.

Birch and Cedar Classes had fun celebrating St Patricks Day together. The children experimented with hand prints and colours and made a whole class rainbow.

Rowan Class enjoyed their visit to the library on Tuesday. They completed a book scavenger hunt and listened to a funny story read by Mr Blunt. They also had time to look through some of the books in the library too.

Neurodiversity Celebration Week

This week was Neurodiversity Celebration Week and in assembly on Monday Mrs Garrity talked about all of the qualities that people with a neurodiversity have and how their unique thinking makes them into special and wonderful human beings. We looked at different famous people who are neurodiverse and how successful they have been.

Beech Class learnt about neurodiversity and how we are all different in our own unique way. The pupils learnt about different aspects of Neurodiversity and some of our wonderful pupils shared how this looks to them. They were then given the same outline, same paint and the same tools to create art work. Pupils blew paint through straws and were so excited to see that even though lots of things they used were the same the outcomes were different each time.

This led them to talk about how every single person will feel and see things differently to each other. We are so proud of how respectful and kind each of our pupils were to each other during this session. A truly wonderful team.

The RANS ASC Team will be hosting a coffee event for parents or carers of children and young people with Autistic Spectrum Condition (ASC) to celebrate and raise Autism Acceptance.

This informal event provides the opportunity to meet other parents/carers over a cup of coffee (or tea) and share their thoughts, stories and experiences.

RANS ASC teachers will also be available to offer advice.

Please join us. Everyone is welcome- whatever age your child, whatever their needs, whether they have a diagnosis or you suspect they might be on the spectrum.

Coffee Afternoon Date:

These are drop-ins so no need to book!

Location:
Number One Riverside, Events Space (Behind Bean)
Smith Street
Rochdale OL16 1XU

Date:
Tuesday 1st April 2025

Time:
1pm-3pm

We shall look forward to seeing you there!

A reminder to please ensure you have returned your child's reading book to school. We are moving to a new home reader system and we need all books in school to be able to set the scheme up. Your child will have reading materials set up on class dojo's for the remainder of the half term. Thank you for your co-operation.

Ash Class are visiting Milnrow Park next Thursday as part of their Geography topic. Please ensure you have completed the local walks consent form to allow your child to enjoy the visit.
