Our wonderful glee club auditioned and got through to the finals of the Rochdale choir of the year competition last Friday organised by Rochdale Music service. They sang wonderful renditions of 'Singing in the rain' and 'Mad World.' The singing and performance were simply outstanding.

Through all of their hard work and commitment, they won the title of Rochdale's Choir of the year for the second year running!! We are unbelievably proud of them. What an achievement!

CELEBRATING NEURODIVERSITY

To kickstart Neurodiversity celebration week we had key stage assemblies where we learnt about the strengths and talents that having a neurodiversity can bring.

In class children looked more in depth about what neurodiversity is. They learnt about famous people whose neurodiversity has helped them in their careers. Celebrities such as Billie Eilish, Lucy Bronze, Daniel Radcliffe, Robbie Williams and many more. They then designed and created posters for a competition where one winning design from each class will be framed and displayed around school.
