<b>Beech</b>	Brooke Millie
<b>Hawthorn</b>	Izzabelle Kalaina
<b>Maple</b>	Violet Archie
<b>Ash</b>	Daniel Alfos
<b>Rowan</b>	Ariannah Emmeline
<b>Sycamore</b>	Polly Lucas
<b>Alder</b>	Caitlin Connor

**In science, Ash Class are continuing their topic about forces and have been investigating friction. They tested a car rolling down a ramp to see if the material on the surface made a difference to the distance the car travelled. They tested, hessian, carpet, tin foil, felt, glitter paper, bubble wrap and sugar paper. We are sure the children will be able to tell you which material allowed the car to travel the furthest and why!**

Pupil Voice candidates have been busy preparing for their interviews this week and presenting to their classes. Once all the voting has been counted we will be able to reveal our Pupil Voice Council for 2025-2026. Well done to everyone.

Early years children are working hard every day earning themselves Dojo's for super sitting, being ready to learn, being respectful, being focused on task and showing great teamwork. Here are some of our recent winners. Well done!

Willow Class have been on a leaf hunt this week. They explored the differences and similarities in each leaf. They looked at the colour, shape and texture and tried to identify which tree they came from. They also did some leaf rubbings to explore the leaves even closer.

Well done to  
**Ash Class**  
for achieving the highest attendance this week!

Next Wednesday, Early Years are participating in a 'Toddle Waddle' to raise money for the charity Meningitis Now. Parents and carers are welcome to come along at 9am, make a headband with your child and join in a sponsored toddle. (A suggested donation would be a minimum of £2 per adult). Thank you for your support.

We are keen to get posting pictures and updates onto our Facebook page. Please complete the Facebook consent form so we know who can be featured on our page.
