WHAT WE ARE LEARNING

Early Years

A huge welcome to our Early Years children who have just begun their journey here with us at Newhey. They have settled in well to their new routines and we look forward to watching them flourish and grow.

Swimming

Our year 4 children began their swimming adventures this week. The children completed a mini assessment and their teachers are working with them to develop their skills. We look forward to seeing their progress over the coming weeks.

Reading

Rowan class have been exploring our brand new library. They were able to identify where the different genres of books are kept and enjoyed choosing a comfy place to read.

SCHOOL ACTIVITIES

Art work in Beech

Beech class have begun their class art project. They created a beautiful class garden. Pupils took great care in blending different tones and shades of their chosen colour and then used bold black lines to finish their designs.

Football Practice

Our key stage 2 football teams have begun their training for their upcoming tournaments. They practised dribbling, passing and shooting skills to prepare them for their matches ahead.

POSITIVE NOTES

Some of you may have seen your child come home with a positive note from an adult in school. All of our staff are constantly looking to notice children who are following our Newhey Way.

Be respectful, Be ready to learn, Be safe.

WONDERFUL WORK AWARDS

BIRCH
