We welcomed everyone back to school this week including new children joining us in our Early Years and a huge welcome to Jasmine, Hallie, Aurora and Esther who have joined our other year groups too. We are really excited these children are joining us on their school journey and look forward to them becoming involved in school life at Newhey.

We are really pleased with how everyone has settled in this week.

## school uniform

The children are looking really smart around school.

If you have been asked to address any parts of the school uniform we ask that this is done in a timely manner and appreciate your support and co-operation. A reminder that the hooded jumpers are for PE only and are not part of the every day school uniform.

At Newhey we are striving for equality whilst promoting a sense of belonging to our school. We strongly believe that wearing a smart uniform allows children to feel equal to their peers and confident in their appearance whilst positively reflecting our school values.

If you have any queries then please contact the Headteacher directly as stated in our updated policy which is found on our school website.

## VIKINGS

Rowan Class have begun their History work on Vikings and have been designing Viking shields. They looked at some Viking lettering to include on their shields also.
