

If you live within the green 5-10 minute walking zones, you may find it quicker to walk to school than to drive and have to find a parking space.

If you live beyond walking distance and have to drive, please park and stride from Castons Car Park to help make it safer around the school gates so more families can walk, cycle scoot to school.

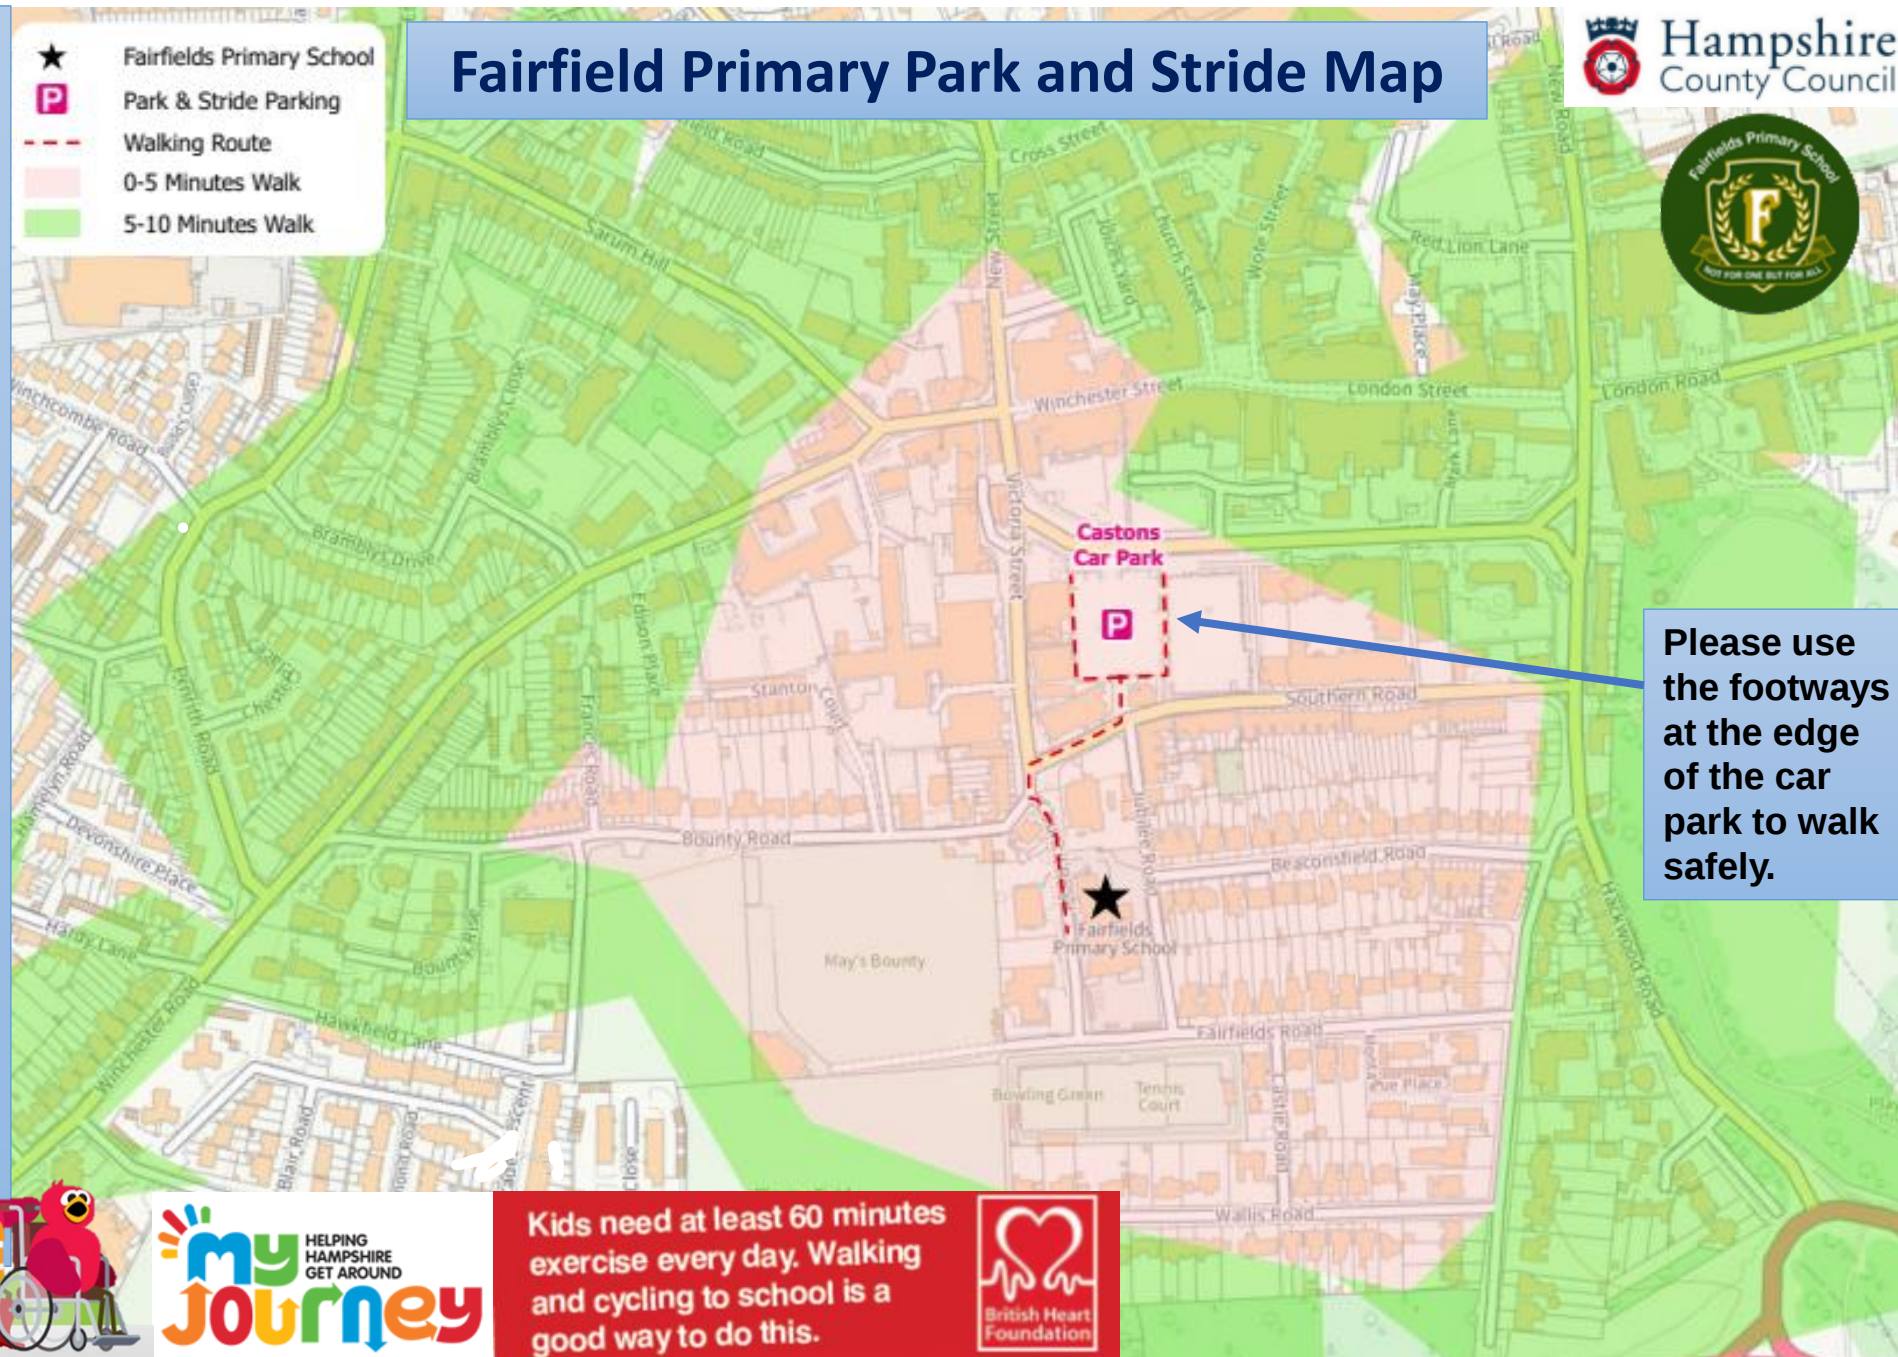

Free parking is available at Castons Car Park between 8:30am to 8:50am and 15:05pm and 15:25pm.

Walk from a Friend's House:
Know friends who live locally? Why not ask to park at their house and walk together for a sociable school journey?

Lift Share: Going the same way as a neighbour? Why not lift share and then Park and Stride as often as possible, saving fuel and helping cut emissions?
