

## This week...

This week **Year 5** launched our new enquiry question: *What do forces actually do?* We explored pushing and pulling through a tug-of-war investigation, with one team wearing socks on mats and the other wearing shoes on concrete, helping us observe how friction affects movement. We also explored games and construction activities using cogs and K'NEX to see how forces create movement. To finish, we watched Rube Goldberg videos and the Wallace and Gromit breakfast machine clip, identifying different forces in action, including pushes, pulls, gravity and friction working together in chain reactions.

### Assembly

We started the new term with a closer look at the yellow rule- **Responsibility**. We first discussed why the yellow rule has to be followed, with answers such as "because adults tell us." We delved deeper to find that responsibility is a way to help each other, help our community and the world. We watched a short film which depicted 2 people 'stuck' on an escalator that had stopped moving and calling out for help, even though they could just walk up the final few steps. We looked at shared responsibility such as helping with litter and saving electricity and then we ended with another short portraying the concept of the 'kindness boomerang' or 'paying it forward'. This led to a final discussion about being kind and responsible, not just for reward, but for the good of everyone in the community, be that class, school or the town.

### Pupil Responsibility Groups

The Eco and Peer Mentor groups met this week and diligently worked on their next strategies. The Peer Mentors will be teaching FS and KS1 about their view of the Ladygrove Standard and why it matters, later in the term. The Eco Warriors were discussing an exciting new community garden project that we will be working on with Didcot Town Football Club. More details on this will follow!

### Celebrating Success

Over the Easter holidays, Jaycob from Class 11 travelled to Barcelona to take part in an International Inline (roller) Hockey tournament called the Sparta Cup. He was a goalie for the U10 Cardiff Bear Cubs team. They did phenomenally well and made it to the U10 final, winning the Silver medal. Well done Jaycob, what a great opportunity!

## Notices

<p><b>Attendance</b></p> <p><b>Please email the school office.</b> <b>Do not email the year group.</b></p>	<p>If your child is not in school, you must notify us by leaving a message on our answer phone or by <b>emailing <a href="mailto:office.2609@ladygrove-park.oxon.sch.uk">office.2609@ladygrove-park.oxon.sch.uk</a></b> before 9am on each day of their absence. <b>Email is preferable as we are finding it increasingly hard to understand due to unclear messages and poor telephone signal.</b></p> <p>Please state clearly and concisely your <b>child's full name, class and their reason for absence</b> - <u>being specific about the illness or medical needs</u>. You must inform the school in advance by email above, if you need to take your child for an educational setting visit, religious observance or similar. These absences will need to be pre agreed by us. No birthdays, cheaper holidays, altered holiday arrangements or similar will be agreed. In line with strict government legislation, they will be recorded as unauthorised on your child's attendance record.</p>
<p><b>Term 5 Enquiry Newsletters</b></p>	<p>This term's enquiry newsletters will be shared via Google Classroom and will also available on our website under the Curriculum tab. # Termly Information

2025-26

A copy of this document is available on our website. We will always keep you up to date through weekly newsletters and parent updates.

<b>Parent Helpers</b>	If you are a parent helper- thank you! You will need to talk to the office before coming to help. They have to run through some safeguarding matters and checks with you before you can start.
<b>Gates</b>	There are always staff members at or near the gates to help you at drop off or pick up times. During the daytime all access points to the main school premises are locked. Note that we <b>close</b> the main reception gates, path gate (by the kitchen) and the car park gates but <b>these gates are not locked</b> (so you can access the front office during the day). We ask that you close the gates behind you when you leave.
<b>Social Media</b>	Any inappropriate or disproportionate comments regarding the school or any of the pupils, parents or staff, on social media sites such as Facebook are not in the best interests of the whole school community. Parents should be aware that even flippant comments can be vastly misinterpreted when in print and are often shared beyond your online friendship groups, negatively affecting others. Any concerns you may have should always be sent through the appropriate channels by speaking to the classteacher, senior leaders, headteacher or office staff, so they can be dealt with fairly, appropriately and effectively for all concerned.
<b>Home Time</b>	Children in Foundation Stage and KS1 are always handed over to their parents by a member of staff at the end of the school day. Children in KS2 exit through their class doors and are instructed to find their parents. They are told that <b>if they cannot find their parent/childminder they are to come back into their classroom and tell their teacher</b> . Please can you reiterate this to your child. If you happen to be late picking up, please notify the school office and we will get a message to your child if it is before 3pm. If we know you are going to be late, the children can sit supervised in Reception.
<b>Dropping Off and Picking Up</b>	Parents are respectfully asked to park with care and consideration at the beginning and end of the school day. These are busy and sometimes frustrating times as it gets very congested- the roads were not designed for the number of cars we now use. Please also give consideration to our very young or disabled children when you bring your child into school. Some of our children have mobility issues and may lose their balance if jostled. I go out to monitor the road when possible but this is not part of the school's remit therefore we involve our PSCO if necessary. Please do not use the entrance to the car park as a drop off or pick up point, this causes further congestion and hazard for pedestrians. As a school we are luckier than most, having a main road that wraps around the school as well as the football club kindly letting us use their very large car park at these times. It is only a short walk from there to the side gate.
<b>DISABLED PARKING BAY</b>	We have parents and children in school for whom it is essential to use the disability space daily - <u>please do not park in this bay unless you are eligible</u> . Thank you.
<b>Safety Drills</b>	<b>Fire drills</b> take place termly at different times during the school day and the school's cluster point is the KS2 playground. <b>Invacuation</b> practice takes place once a year. Staff are aware of the expectations for lockdown and escort all children. These drills are highly beneficial although they usually lead to wild rumour amongst the children! Please assume that there will be drill practices at any time during the year. You will be notified if it is not a drill.
<b>Safeguarding</b>	We are committed to safeguarding and promoting the welfare of the children at the school. If you have any safeguarding concerns, Andrew Markham, Elaine Li-Koo, and Carly Clarkson are the designated safeguarding leads at school. Posters with pictures of these staff are all around school. Anne Addison is the designated safeguarding officer at our Extended Schools/After School Club.

<b>Cycle safety</b>	Please ensure your child wears a helmet at all times, evidence shows that these can save lives and historical local incidents have shown that injuries from falls while cycling around Ladygrove estate have been minimised by the use of helmets.
<b>Online safety</b>	The potential dangers of social networking sites are often highlighted by the news media. <a href="http://www.thinkuknow.co.uk">http://www.thinkuknow.co.uk</a> has sections for parents and children. We talk to children about online safety in assemblies and during computing lessons but you should follow this up at home. At home, the important aspect is ensuring children have the skills and understanding to deal with an issue if it arises, since it is becoming harder to monitor what they are doing on personal devices. Some aspects of online activity are helpful for remotely socialising but some media practices have been linked to mental health issues, especially for adults. Please take care of yourself as well as being a role model for all our children. Take note that most social media apps and messaging services are restricted to 13 years old and above.
<b>Holidays/Absences</b>	<b>We have to monitor absence meticulously.</b> If your child is not in school, whatever the reason, you must notify us by leaving a message on our answerphone before 9am each day. <b>We need very clear details from you if your child is absent.</b> This could even help identify illness patterns. Term time holidays are not allowed and will be recorded as unauthorised absence in line with government legislation. If you need to take your child out of school, you must request this in writing beforehand. Please note that we monitor all absence and when below 95% we may contact parents to discuss attendance expectations- depending on specific circumstances. Below 90% we may need to involve external services- depending on specific circumstances. Over a whole school year 90% attendance is 19 school days absence (1 month of missed schooling). We also may send letters home to families as reminders of current percentages, especially when below 90%.
<b>Food Allergies</b>	We have children in school who have various complex food allergies or needs and special lunchtime procedures to help keep them safe. If your child has a packed lunch please ensure they know they are not to 'share' food or eat food from another child's packed lunch. Please take this into account when bringing in class treats to share out (eg. birthdays).
<b>Photographs</b>	You will have completed a photo consent form on your Pupil Enrolment Form when your child started at our school. This tells us when we are able to use photos of your child. We take photographs or videos of the children at our school mainly for educational purposes but sometimes for promotional reasons. For example- promotional images may be used on our school website, in publications that we produce or on displays in school. Educational images may be used to allow teachers to reflect on their teaching. Our school may be visited by the media who will take photographs or film footage- in this case, parents will be contacted individually for specific permission.  Parents can sometimes take photographs at school events but strictly for their personal use, these cannot be made public unless you have gained permission from everyone in the image. On some occasions, it may be necessary to retract this opportunity, this depends on the circumstances of the particular event or if a parent has fully denied permission for a child participating in the event.
<b>School Photographer</b>	Twice a year we commission a company called Starlight Images to take individual photographs and class photographs for parents to purchase. If you have denied permission for this on the photo consent form, we will sympathetically remove your child from the group at the time the photo is taken.
<b>Trips</b>	If a payable trip is planned any payments are required via ParentPay. A letter will be sent home detailing information about ParentPay for any new children. The letter will have an activation code on it for you to use. Please note that Years 4 and 6 have residential trips. We allow ample time to pay for these trips by instalments. Please note that in the past the school has made up for shortfalls where parents have not paid. Schools now have to be extremely efficient with the limited national funding and in future we will not be able to cover the shortfall (sometimes £4-5k a year). Trips may have to be cancelled in future years if shortfalls of expected payments continue. If you have any problems paying for your trip, please contact the school office to discuss options.
<b>Local Area Trips</b>	Schools do not need to ask for parental consent for local school trips during the school day. We won't, therefore, ask your permission for local trips (e.g. to the park or local library) but you will always be made aware in advance that they are taking place. Children are always accompanied by an appropriate number of school staff members and risk assessments undertaken.
<b>ParentPay</b>	Please check your ParentPay account to see if you have any outstanding monies due to be paid.
<b>Medicine</b>	Whilst we appreciate the difficulty parents may face, I'm sure you will understand that we have over 400 children in school and staff cannot be responsible for administering prescribed medicines to individual children at individual times, unless there are special circumstances. You will usually be asked to attend school to administer any short term medication (such as antibiotics). Thank you.

<b>Inhalers</b>	Children must have their <b>named</b> and <b>in-date inhaler at school at all times</b> (this is a parental responsibility). If, over the holidays your child has been given an inhaler for the first time please speak to the school office as you will need to complete relevant paperwork.
<b>Medical Conditions</b>	Whatever medical conditions your child has please ensure we have this information in writing. If your child requires antihistamine or an epipen please remember it is your responsibility to ensure medication is replaced when it expires.
<b>Dogs</b>	Dogs are not allowed on school premises. Please leave your dogs tied up outside by the school gates.
<b>Mobile phones- Year 5 and 6 only</b>	If it is necessary for your child to bring a mobile phone to school then please speak to your child's class teacher. Your child is expected to hand their mobile phone to their teacher upon entering the building so that they can be kept in a safe place. All mobile phones must be switched off upon entering the school gates and remain switched off all day. If your child does not hand their phone in, the school cannot take responsibility for any loss or damage and any use will constitute breaking the school rules, as an infringement of privacy/safety. Mobile phones are not necessary during the school day as two way communication can easily be made through the main school office.
<b>Breakfast and After School Clubs</b>	<ul style="list-style-type: none"> <li>• Breakfast Club runs from 8am till school start time; children are provided with breakfast and social time. We have a varied menu that will meet the needs of even the most selective of children! Breakfast Club costs £5.75 per session and is open to all children.</li> <li>• After School Club runs from school end to 6pm. It ensures a smooth transition from school to child-care. The children are offered a varied choice of snack on arrival and a light meal halfway through the session. It costs £13.50 per session and is open to all children in school.</li> <li>• Fees are invoiced a term in advance. Payment must be made via ParentPay or childcare vouchers only. It will be necessary to chase non-payment. Any queries please contact Heather in the office.</li> <li>• Parents are respectfully asked NOT to use the school car park or entrance to the car park to drop off their child to Breakfast Club, as they block the parking spaces required for staff who are arriving at the same time and this leads to children walking around in the car park.</li> <li>• If you need to book places in our Breakfast Club or After School Club please complete the booking form online here - <a href="https://www.ladygrove-park.oxon.sch.uk/contact/after-school-club">https://www.ladygrove-park.oxon.sch.uk/contact/after-school-club</a></li> <li>• Please can bicycles belonging to After School Club children be left in the cycle racks outside the main reception area. This helps you when picking up at the end of school. Thank you.</li> </ul>
<b>Extra Curricular Clubs</b>	Clubs usually take place straight after school and sometimes at lunchtime. They are run by staff covering aspects such as science, art, gardening and various sports. These will be communicated via the office at the start of each term.
<b>School Uniform and the shop</b>	<p>School uniform is important: it looks smart, contributes to a sense of belonging and community, gives a common purpose, gives children equality amongst their peers in terms of appearance to help to reduce any prejudice, fosters a feeling of pride and is designed with health and safety in mind. We expect that all children will wear the uniform when necessary and encourage them to maintain a good quality of clean and tidy dress presentation including sensible haircuts. <b>Please label all items of school uniform.</b></p> <ul style="list-style-type: none"> <li>-Navy jumper or cardigan</li> <li>-White polo shirt, shirt or blouse</li> <li>-Plain navy trousers, shorts or skirt/pinafore dress. Blue checked/striped dresses may also be worn.</li> <li>-White or black socks or tights</li> <li>-Wellington boots (Foundation Stage and Year 1 children only)</li> <li>-Black shoes (boots, shoes, trainers)</li> </ul> <p>Our school uniform (<b>with logo</b>) is available to purchase from Trutex in Didcot. They are based at Cockcroft (opposite Northbourne School). Book bags and PE bags are also available at Trutex. Alternatively, you can purchase school uniform from other establishments such as supermarkets.</p>
<b>PE Kits</b>	<p>We have a sharp and smart look for PE and children currently wear their kit to school on PE days to eliminate the extra time for changing. Pupils wear their house colour t-shirts as standard PE kit. Children will be expected to wear a house coloured t-shirt with or without a logo, blue shorts, trainers for outdoors, warm top and jogging bottoms when it is cold. Kits should also be labelled.</p> <p>Please contact the office if you have difficulty paying for uniform.</p>
<b>School Meals</b>	School meals are £3.20 per meal. The most up to date menu can be found on our website here - <a href="https://www.ladygrove-park.oxon.sch.uk/contact/school-menu">https://www.ladygrove-park.oxon.sch.uk/contact/school-menu</a>

	<p>Children in KS1 (Reception, Year 1 and Year 2) are entitled to Universal Free School Meals. Children in Nursery and KS2 (Year 3, 4, 5 and 6) will be billed for school meals. The meal will be billed via ParentPay on a daily basis. Please ensure this is paid by the end of each week.</p>
<b>Healthy Snacks</b>	<p>Children in KS2 (Yrs 3-6) can bring in a piece of fruit (or veg) to eat at breaktime. Children in KS1 and Foundation Stage are offered a piece of fruit/veg every day through the Government funded Fruit and Vegetable Scheme.</p>
<b>Fruit Trees</b>	<p>We have some fruit trees in school that bear fruit such as apples. Whilst they are edible, we ask you to reiterate at home that children are not to pick/eat anything off trees unless an adult has said it is safe to do so.</p>

If you would like to know about particular allergens in foods, please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of allergen cross contact.
