## Standard Termly Information

### This week...

We would like to thank all parents who attended our **Parent Meetings** this week via Google Meet. This was a trial of online meetings on this platform, and we appreciate your support and flexibility. The booking process seemed to run smoothly, and although there were a few minor technical hiccups, the meetings overall, appeared to be very successful. Going forward, we will continue with face to face meetings in October, online meetings in February and school reports in July. We would appreciate it if you could spare a minute of your time to complete our short feedback form regarding the online meetings - <https://forms.gle/ZXUHkF7QhzceejFu9>. Many thanks!

Thank you to all parents and family who were able to attend **Year 6's** inaugural art gallery! We were delighted to be able to welcome you to see the result of many hours of observational sketching and improving our skills of outlining and tinting, toning and shading with watercolours, with an emphasis on understanding how botanical art is still critical in the world of science.

Congratulations to our **Year 6 Cyclists** this week for achieving their Level 2 Cycle Training certificates. Well done to Ellie, Evelyn, Autumn, Zoe, Alfred, Jack and Sophie. A big thank you goes to our Cycle Training team for volunteering their time again this term. A letter has gone home today through ParentPay to the final Year 6 group so please keep an eye out for this in your inbox.

This week is **Children's Mental Health Week** and to support the theme of '**This is My Place**' we have created a shared art piece in the hall, a 'Mindful Doodle'! All children and staff have had the chance to add their doodle this week and we think it looks amazing!

It was lovely to see all the pink, red and white across the school today for the **PALS Non Uniform Day**. Thank you for your donations and support. We will share the total raised after half term.

## Assembly

The Peer Mentors finally had their chance to present their slides to the school in assembly this week. They explained to the children the difference between someone being rude, being mean and bullying. They explained how these things were all dealt with by the adults in the school and have to be reported. They focused on being able to identify if a person had been unintentionally rude, had been intentionally mean or was intentionally targeting someone on a regular basis without it being returned. We discussed how, in all these cases, it would be breaking the most important and serious of the school rules.

As it is the end of half term, here are our Star Awardees for the half term:

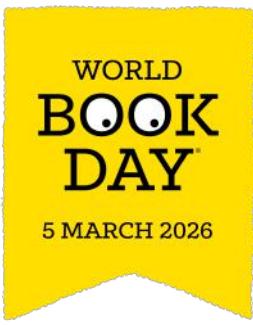

- ★ **Star Writers:** Nestor, Makoa, Brynmor, Lily, Emelia, Alannah, Mila, Rebeca, Tommy, Antoni, Alana, Marco, Evelyn and James.
- ★ **Star Mathematicians:** Gabriela, Inayah, Barnaby, Hugo, Elizabeth, Josh, Keeley, Alessia, Kahleel, Alex W, Lucy, Savannah, Wayne and Hannah.
- ★ **Star Readers:** Emma, Sienna, Aayansh, Isa, Iris, Daisy, Mati, Brigitte, Oli B, Bea, Olivia, Claudia, Alfie and Neave O

Dear parents, carers and community

We are writing to share important news regarding Autism Family Support Oxfordshire (AFSO).

After careful consideration, the board of trustees have made the difficult decision to begin the process of dissolving AFSO as a registered charity, due to a significant fundraising deficit that has made it impossible to sustain its mission. **AFSO is set to formally close on 31<sup>st</sup> March 2026**, unless a funder, organisation or benefactor steps forward with significant support to secure the continuation of services.

This decision has not been taken lightly and comes in light of longstanding financial challenges. Over a significant period of time, the trustees and leadership team have sought to secure the organisation's funding and future - including funding applications, income generation, appeals, and cost reduction options. Despite these efforts the charity faces a significant funding deficit beyond 31 March 2026. The decision to begin the closure process reflects our strong commitment to closing the charity responsibly and with care towards our staff, families, and creditors.

We recognise that this news may be upsetting for the families, supporters and partners who value AFSO's work. We are committed to handling our closure with transparency, care and respect. Our focus between now and 31 March is on supporting staff and families as sensitively as possible through this transition.

Between now and the closure date, we are focusing on ensuring the charity closes in a **planned, responsible and compassionate way**. This includes:

- Informing the families, professionals and funders who engage with AFSO.
- Providing clarity about what the closure means and when changes will occur.
- Meeting our legal and charitable obligations.
- Minimising distress and uncertainty to staff and families as far as possible.

As part of this process, please note that:

- **AFSO will not be providing Easter activities in 2026.**

You may wish to access alternative holiday activities from Short Breaks providers – please visit: <https://www.oxfordshire.gov.uk/children-and-families/information-parents/breaks-disabled-children> and search the Family Information Service Directory provided by Oxfordshire County Council: <https://fisd.oxfordshire.gov.uk/kb5/oxfordshire/directory/home.page>

- **All donations collected through our January JustGiving fundraising appeal will be refunded.**

We are deeply grateful to our supporters, donors, staff, volunteers, and partners over the past 48 years. We know how valued AFSO has been, and how deeply this news will be felt by the autistic individuals and families we have had the privilege to support. Everyone involved is incredibly proud of the care, understanding and community that AFSO has provided over the years.

We will continue to share updates over the coming weeks. If you have questions or require further information, please contact us by email at [info@afso.org.uk](mailto:info@afso.org.uk).

Thank you for your understanding and support.
