Thursday 11th June

Trip to Filey

Dear Parents and Carers,

We are excited for the school trip on Tuesday 16th June to Filey seaside, including a tour of the RNLI station.

The bus will be departing school at 8am. **We are inviting all children to arrive at school for 7:45am** so that we can get them ready and be on the coaches for a prompt departure. Unfortunately, should your child/children arrive late and miss the coaches, they will remain in school.

All children who have not ordered a school packed lunch will require a packed lunch and water bottle from home.

School uniform does not need to be worn on this day, but we would recommend suitable clothing and footwear depending on the weather i.e., sun hats or waterproof coats, and for sun cream to be applied before school.

Children are welcome to bring their own bucket and spade for the trip however children will need to carry their own belongings so please try to ensure all items are contained in one bag for them to carry.

Please note we have been advised from our Safeguarding advisor that Air tags should not be used to track children/people and that if an Air tag is found it will be disabled. Tracking people using Air tags is forbidden by Apple's Terms of Use and details can be found on their website.

We hope to arrive back at school at around 4.30pm, traffic dependent. We will send a message when we have set off with our estimated time of arrival back.

Yours sincerely,

Mrs H McMullen
Headteacher
